Any reference herein to the Registration Statement, any Preliminary Prospectus Supplement or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of any Preliminary Prospectus Supplement or the Final Prospectus, as the case may be; and any reference herein to the terms “amend”, “amendment” or “supplement” with respect to the Registration Statement, any Preliminary Prospectus Supplement or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of any Preliminary Prospectus Supplement or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference prior to the termination of the distribution of the Securities by the Underwriters. Certain terms used herein are defined in Section 22 hereof.

1. Representations and Warranties. The Company and each Subsidiary Guarantor, jointly and severally, represent and warrant to, and agree with, each Underwriter as set forth below in this Section 1 that:

(b.2) Disclosure Package. The term “**Disclosure Package**” shall mean (i) the Preliminary Prospectus Supplement dated June 24, 2021, (ii) the Issuer Free Writing Prospectuses, if any, attached as part of Annex G hereto, and (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. As of 5:37 p.m. (Eastern time) on the date of execution and delivery of this Agreement (the “**Applicable Time**”), (i) the Disclosure Package and (ii) any electronic roadshow, when taken together as a whole with the Disclosure Package, did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

(b.3) Company Not Ineligible Issuer. Each Issuer Free Writing Prospectus, as of its issue date, did not include any information that conflicted with the information contained in the Registration Statement, including any document incorporated by reference therein that has not been superseded or modified. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Company has promptly notified or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

(b.6) Distribution of Offering Material by the Company. Neither the Company nor any Subsidiary Guarantor has distributed and will not distribute, prior to the completion of the Underwriters' distribution of the Securities, any offering material in connection with the offering and sale of the Securities other than the Preliminary Prospectus Supplement, the Final Prospectus, any Issuer Free Writing Prospectus reviewed and consented to by the Representatives or the Registration Statement.

The operations of the Company and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes and the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any government agency in jurisdictions where the Company and its subsidiaries conduct business (collectively, the “**Money Laundering Laws**”) and no action, suit or proceeding by or before any court or governmental agency, authority or body or an arbitrator involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened;

(x) No Unlawful Payments. Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee or other affiliate of the Company or any of its subsidiaries has taken any action on behalf of the Company or any of its subsidiaries, directly or indirectly, that would result in a violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended (the “**FCPA**”), the UK Bribery Act 2010 or the Corruption of Foreign Public Officials Act (Canada), and the rules and regulations promulgated thereunder, including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA; and the Company, its subsidiaries and, to the knowledge of the Company, their affiliates have conducted their businesses in compliance with the FCPA, the UK Bribery Act 2010 and the Corruption of Foreign Public Officials Act (Canada) and the rules and regulations promulgated thereunder;

(y) No Conflicts with Sanctions Laws. None of the Company, any of its subsidiaries or, to the knowledge of the Company, any director, officer, agent, employee or affiliate of the Company or any of its subsidiaries is currently the subject or the target of any sanctions administered or enforced by the U.S. government, including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury, the United Nations Security Council, the European Union, Her Majesty's Treasury, or other relevant sanctions authority (collectively, "**Sanctions**"), and the Company will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund any activities of or business with any person, or in any country or territory, that, at the time of such funding, is the subject of Sanctions or (ii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions; and

(z) Accounting and Disclosure Controls. The Company and its subsidiaries maintain "internal control over financial reporting" (as such term is defined in Rule 13a-15(f) under the Exchange Act); such internal control over financial reporting and procedures is effective and the Company and its subsidiaries are not aware of any material weakness in their internal control over financial reporting; the Company and its subsidiaries maintain "disclosure controls and procedures" (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are effective; and there is and has been no failure on the part of the Company and to the Company's knowledge any of the Company's directors or officers, in their capacities as such, to comply with applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 relating to loans and Section 302 and 906 relating to certifications.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto the principal amount of the Securities set forth opposite such Underwriter's name in Schedule II hereto.

3. Delivery and Payment.

(a) Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than three Business Days after the foregoing date as the Representatives and the Company shall mutually agree, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 10 hereof (such date and time of delivery and payment for the Securities being herein called the "**Closing Date**"). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct.

(b) As compensation for the services rendered by the Underwriters to the Company in respect of the issuance and sale of the Securities, the Company on the Closing Date will pay to the Representatives for the respective accounts of the several Underwriters the commission specified in Schedule I hereto.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus. In order to comply with certain exemptions from the prospectus requirements of the Securities Act (Alberta), the Underwriters hereby agree that they shall not directly or indirectly offer to sell or resell, or sell or resell, any Securities to residents of Canada.

5. Agreements. The Company agrees with the several Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment or supplement to the Registration Statement or Basic Prospectus (including the Final Prospectus or any Preliminary Prospectus Supplement) unless the Company has furnished a copy to the Representatives for their review prior to filing and will not file any such proposed amendment or supplement to which the Representatives reasonably object. Subject to the foregoing sentence, the Company will prepare the Final Prospectus setting forth the principal amount of Securities covered thereby, the terms not otherwise specified in the Basic Prospectus pursuant to which the Securities are being issued, the names of the Underwriters participating in the offering and the principal amount of Securities which each severally has agreed to purchase, the names of the Underwriters acting as co-managers in connection with the offering, the price at which the Securities are to be purchased by the Underwriters from the Company, the initial public offering price, the selling concession and reallowance, if any, in a form approved by the Representatives and shall file such Final Prospectus with the Commission within the time periods specified by Rule 424(b) under the Act. The Company will promptly file all reports and other documents required to be filed by it with the Alberta Securities Commission pursuant to Alberta Securities Laws, and the Commission pursuant to Section 13(a), 13(c) or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act) in connection with the offering or sale of the Securities, and during such same period will advise the Representatives, promptly after it receives notice thereof, (1) when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Basic Prospectus or any amended Final Prospectus has been filed with the Commission, (2) of the issuance by the Alberta Securities Commission or the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities, (3) of the suspension of the qualification of such Securities for offering or sale in any jurisdiction, (4) of the initiation or threatening, to the knowledge of the Company, of any proceeding for any such purpose, or (5) of any request by the Commission for the amending or supplementing of the Registration Statement, the Final Prospectus or for additional information relating to the Securities; and the Company will use its commercially reasonable best efforts to prevent the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Securities or the suspension of any such qualification and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or suspending any such qualification, to use its commercially reasonable best efforts to obtain the withdrawal of such order as soon as possible;

(b) Notwithstanding the provisions of paragraph (a) above, if, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), any event occurs of which the Company becomes aware and as a result of which the Final Prospectus, as then supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Final Prospectus to comply with the Act or the Exchange Act, or the respective rules thereunder, the Company will (i) promptly notify the Representatives of such event, (ii) promptly prepare and file with the Commission an amendment or supplement which will correct such statement or omission or effect such compliance, and (iii) expeditiously supply any supplemented Final Prospectus to the Representatives in such quantities as they may reasonably request;

(c) As soon as practicable but not later than 18 months after the date of the effectiveness of the Registration Statement, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act;

(d) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), as many copies of each Preliminary Prospectus Supplement, Issuer Free Writing Prospectus, Final Prospectus and any supplement thereto as the Representatives may reasonably request;

(e) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of the states of the United States and such other jurisdictions as the Representatives, after consultation with and approval from the Company, may designate, will maintain such qualifications in effect so long as required for the distribution of the Securities and will pay any fee of the Financial Industry Regulatory Authority, Inc., in connection with its review of the offering; provided that in no event shall the Company or any Subsidiary Guarantor be obligated to qualify to do business or become subject to taxation in any jurisdiction where it is not now so qualified or so subject or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject;

(f) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of or hedge, directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, any U.S. dollar debt securities which are substantially similar to the Securities issued or guaranteed by the Company (other than the Securities) or publicly announce an intention to effect any such transaction until the Business Day set forth in Schedule I hereto;

(g) The Company will use the net proceeds received by it from the sale of any Securities in the manner specified in the Disclosure Package and the Final Prospectus under the caption “**Use of Proceeds**”;

(g.1) The Company will prepare a final term sheet containing a description of the Securities in the form set forth in Annex G hereto and will file such term sheet pursuant to Rule 433(d) under the Act within the time required by such rule (the “**Final Term Sheet**”);

(h) In connection with each offering of Securities, the Company will take such steps as it deems necessary to ascertain promptly whether the Final Prospectus prepared in connection with such offering and transmitted for filing pursuant to Rule 424(b) under the Act was received for filing by the Commission, and, in the event that such prospectus was not received for filing, it will promptly file such prospectus not then received for filing;

(i) During the period in which the Underwriters are distributing the Securities, the Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities;

(j) The Company represents that it has not made, and agrees that, unless it obtains the prior written consent of the Representatives, it will not make, any offer relating to the Securities that constitutes or would constitute an Issuer Free Writing Prospectus or that otherwise constitutes or would constitute a “free writing prospectus” (as defined in Rule 405 of the Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Act; provided that the prior written consent of the Representatives shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto. Any such free writing prospectus consented to by the Representatives is hereinafter referred to as a “**Permitted Free Writing Prospectus**”. The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. The Company consents to the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet.

6. Expenses. The Company and each of the Subsidiary Guarantors will pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company’s counsel and the Company’s accountants in connection with the registration and delivery of the Securities under the Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, the Basic Prospectus, the Final Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, and all printing costs associated therewith, (ii) all costs and expenses related to the transfer and delivery of the Securities to the Underwriters, (iii) any fees charged by the rating agencies for the rating of the Securities, (iv) the cost of the preparation, issuance and delivery of the Securities, (v) the costs and charges of any trustee, transfer agent, registrar or depository and (vi) all other costs and expenses incident to the performance of the obligations of the Company and the Subsidiary Guarantors hereunder for which provision is not otherwise made in this Section. It is understood, however, that, except as provided in this Agreement, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, and transfer taxes on resales of any of the Securities by them.

7. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company and each Subsidiary Guarantor contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company and each Subsidiary Guarantor made in any certificates pursuant to the provisions of this Section, to the performance by the Company and each Subsidiary Guarantor of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing and in accordance with Section 5(a) hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no order preventing or suspending the use of any prospectus relating to the Securities shall have been issued and no proceeding for any such purpose shall have been initiated or threatened by the Alberta Securities Commission or the Commission;

(b) The Company shall have requested and caused Sullivan & Cromwell LLP, U.S. counsel for the Company, to have furnished to the Representatives their opinion and letter, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex B;

(c) The Company shall have requested and caused McCarthy Tétrault LLP, Canadian counsel for the Company, to have furnished to the Representatives their opinion, dated the Closing Date and addressed to the Representatives, with respect to the laws of the Province of Alberta and the federal laws of Canada applicable therein, substantially in the form attached hereto as Annex C.

(d) The Representatives shall have received from Baker Botts L.L.P., U.S. counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(e) The Representatives shall have received from Osler, Hoskin & Harcourt LLP, Canadian counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(f) The Representatives shall have received from the Vice President & Corporate Secretary of the Company a certificate, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex D.

(g) The Representatives shall have received from Norton Rose Fulbright US LLP, U.S. regulatory counsel to the Company, dated the Closing Date an opinion substantially in the form attached hereto as Annex E.

(h) The Company shall have furnished to the Representatives a certificate of the Company, signed by two of its senior officers, dated the Closing Date to the effect that the signers of such certificate have reviewed the Registration Statement, the Disclosure Package, the Final Prospectus, any supplements to the Final Prospectus, and this Agreement, and to the best knowledge of such signers, after due investigation:

- i. the representations and warranties of the Company and the Subsidiary Guarantors in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;
- ii. no stop order suspending the effectiveness of the Registration Statement or stop order preventing or suspending the use of any prospectus relating to the Securities has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened by the Alberta Securities Commission or the Commission; and
- iii. since the date of the most recent financial statements included or incorporated by reference in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(i) The Representatives shall have received from PricewaterhouseCoopers LLP, the Company's independent auditor, a letter or letters dated at the Execution Time and at the Closing Date, in form and substance reasonably satisfactory to the Representatives, together with signed or reproduced copies of such letter or letters for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the Disclosure Package and the Final Prospectus;

(j) [Reserved.]

(k) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereto) and the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (i) of this Section 7 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereto), the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(l) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company's debt securities by Standard & Poor's Rating Services, Moody's Investor Services or Dominion Bond Rating Service Limited and no such rating service shall have publicly announced or otherwise informed the Company that it has under surveillance or review, with possible negative implications, its rating or outlook of the Company or any of the Company's debt securities or preferred stock; and

(m) Prior to the Closing Date, the Company and each Subsidiary Guarantor shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request and as is customary in offerings of securities similar to the Securities.

If any of the conditions specified in this Section 7 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives upon notice of cancellation to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 7 shall be delivered at the office of Sullivan & Cromwell LLP, Attention: Robert Buckholz, 125 Broad Street, New York, New York 10004 on the Closing Date (or such other date as provided in this Section 7) or such other place as the Representatives shall so instruct.

8. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 7 hereof is not satisfied or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters (but excluding any termination pursuant to Section 11 hereof), the Company will reimburse the Underwriters severally through the Representatives on demand for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

9. Indemnification and Contribution.

(a) The Company and each Subsidiary Guarantor, jointly and severally, agree to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed, any Preliminary Prospectus Supplement, the Final Prospectus, any electronic roadshow or any Issuer Free Writing Prospectus, or in all cases any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and the Subsidiary Guarantors will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company and the Subsidiary Guarantors may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each Subsidiary Guarantor, each of their directors, each of their officers who signs the Registration Statement, and each person who controls the Company or a Subsidiary Guarantor within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and each Subsidiary Guarantor to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth in (a) the last paragraph of the cover page regarding delivery of the Securities, (b) under the heading “The Offering”, the third sentence in the right column adjacent to “Lack of Public Market for the Notes”, (c) the second sentence within the risk factor “We cannot provide assurance that an active trading market will develop for the Notes” and (d) under the heading “Underwriting”, (i) the names listed in the table following the first paragraph of the text, (ii) the third paragraph of text concerning concessions, (iii) the fourth and fifth paragraphs of text concerning price stabilization, short positions and penalty bids, (iv) the third and fourth sentences in the sixth paragraph of text concerning market making by the Underwriters, and (v) the fifteenth paragraph of text concerning electronic prospectuses, in any Preliminary Prospectus Supplement and the Final Prospectus, as applicable, constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus Supplement or the Final Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action, or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company, the Subsidiary Guarantors and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively “Losses”) to which the Company, the Subsidiary Guarantors and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company, the Subsidiary Guarantors and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Subsidiary Guarantors and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company or a Subsidiary Guarantor who shall have signed the Registration Statement and each director of the Company or a Subsidiary Guarantor shall have the same rights to contribution as the Company and the Subsidiary Guarantors, subject in each case to the applicable terms and conditions of this paragraph (d).

10. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall not exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the non-defaulting Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the non-defaulting Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, and arrangements satisfactory to the Representatives and the Company for the purchase of such Securities by one or more of the non-defaulting Underwriters or other party or parties approved by the Representatives and the Company are not made within 36 hours after such default, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 10, the Closing Date shall be postponed for such period, not exceeding seven Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement, the Disclosure Package and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages occasioned by its default hereunder.

11. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time, (i) trading of the Company's common stock shall have been suspended by the Commission or the New York Stock Exchange or the Toronto Stock Exchange or trading in securities generally on the New York Stock Exchange or the Toronto Stock Exchange shall have been suspended or limited or minimum prices shall have been established on any of such Exchanges, (ii) a banking moratorium shall have been declared either by authorities in the United States, Canada or New York State, (iii) a change or development involving a prospective change in Canadian taxation affecting the Securities or the transfer thereof or the imposition of exchange controls by the United States or Canada, or (iv) there shall have occurred any outbreak or escalation of hostilities involving Canada or the United States, declaration by the United States or Canada of a national emergency or war, or other calamity or crisis, the effect of which on financial markets in the United States or Canada is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Disclosure Package and the Final Prospectus.

11.1 No Advisory or Fiduciary Responsibility. The Company and each Subsidiary Guarantor acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company and each Subsidiary Guarantor, on the one hand, and the several Underwriters, on the other hand, and the Company and each Subsidiary Guarantor is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with the offer and sale of the Securities as contemplated hereby and the process leading to such offer and sale, each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company or any Subsidiary Guarantor with respect to the offer and sale of the Securities as contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company or any Subsidiary Guarantor with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Subsidiary Guarantors and that the several Underwriters have no obligation to disclose to the Company or the Subsidiary Guarantors any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and each Subsidiary Guarantor has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Subsidiary Guarantors and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company and each Subsidiary Guarantor hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

11.2 Agreement of the Underwriters. Each Underwriter represents that it has not made, and agrees that, unless it obtains the prior written consent of the Company, it will not make, any offer relating to the Securities that constitutes or would constitute a “free writing prospectus” (as defined in Rule 405 of the Act) required to be filed with the Commission or retained under Rule 433 of the Act; provided that the prior written consent of the Company shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto and in respect of the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet. Any such free writing prospectus consented to by the Company is hereinafter referred to as an “Underwriter Permitted Free Writing Prospectus”. The Underwriters agree that they have complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Underwriter Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

11.3 [Reserved.]

12. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company, the Subsidiary Guarantors or their respective officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company, the Subsidiary Guarantors or any of the officers, directors, employees, agents or controlling persons referred to in Section 9 hereof, and will survive delivery of and payment for the Securities. Service of process upon the Authorized Agent and written notice of such service to the Company shall be deemed, in every respect, effective service of process upon the Company.

To the extent that the Company has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, it hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law.

The provisions of this Section 15 shall survive any termination of this Agreement, in whole or in part.

16. Judgment Currency. The obligation of the Company in respect of any sum due to any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first Business Day following receipt by such Underwriter of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to such Underwriter hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter hereunder, such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter hereunder.

Terms of US\$1,000,000,000 2.500% Sustainability-Linked Senior Notes due 2033

Capitalized terms used but not defined herein shall have the meanings given to such terms in the Indenture.

- (1) **Title of Securities:** “2.500% Sustainability-Linked Senior Notes due 2033” (the “Sustainability-Linked Senior Notes”).
- (2) **Total Aggregate Principal Amount of Sustainability-Linked Senior Notes to be initially issued and sold to the Underwriters for Resale to the Public:** US\$1,000,000,000. The Company may, at any time, and from time to time, issue additional Sustainability-Linked Senior Notes under the Indenture in unlimited amounts having the same terms as the Sustainability-Linked Senior Notes, and such additional Sustainability-Linked Senior Notes will, together with the then existing Sustainability-Linked Senior Notes and any notes which may be issued in exchange or substitution therefor, constitute a single series of notes under the Indenture.
- (3) **Guarantees:** In accordance with Section 1401 of the Indenture, the Sustainability-Linked Senior Notes are guaranteed by both Guarantors.
- (4) **Maturity Date:** August 1, 2033 (the “Sustainability-Linked Maturity Date”).
- (5) **Interest:** The Sustainability-Linked Senior Notes will bear interest at the rate of 2.500% per annum (the “Initial Sustainability-Linked Interest Rate”), subject to increase as described in the immediately following provisions of this Section (5), accruing from June 28, 2021, or from the most recent Interest Payment Date to which interest has been paid or duly provided for.

From and including August 1, 2026 (or if such day is not a Business Day, the next succeeding Business Day) (the “First Step Up Date”), the interest rate payable on the Sustainability-Linked Senior Notes shall be increased by 5 basis points to 2.550% per annum (the “First Step Up Interest Rate”), unless the Company has notified the Trustee in writing on or before the date that is 15 days prior to August 1, 2026 (the “First Notification Due Date”) in the form of an Officers’ Certificate (the “Satisfaction Notification”) that (i) the Company has determined that the Company has satisfied the Percentage of Racial & Ethnic Diversity Performance Target (as defined herein) and (ii) the Company has received a related assurance letter from the External Verifier (as defined herein) (such letter, an “Assurance Letter”). From and including August 1, 2031 (or if such day is not a Business Day, the next succeeding Business Day) (the “Second Step Up Date”), the interest rate payable on the Sustainability-Linked Senior Notes shall be increased by 50 basis points to (x) 3.050% per annum (the “Fully Adjusted Second Step Up Interest Rate”) if the First Step Up Interest Rate was in effect immediately prior to the Second Step Up Date or (y) 3.000% per annum (the “Partially Adjusted Second Step Up Interest Rate”) if the Initial Sustainability-Linked Interest Rate was in effect immediately prior to the Second Step Up Date, unless the Company has provided a Satisfaction Notification to the Trustee in writing on or before the date that is 15 days prior to August 1, 2031 (the “Second Notification Due Date” and, with the First Notification Due Date, each a “Notification Due Date”) that (i) the Company has determined that the Company has satisfied the GHG Emissions Performance Target (as defined herein) and (ii) the Company has received a related Assurance Letter from the External Verifier. For the avoidance of doubt, if the Company has provided the Trustee with the applicable Satisfaction Notification on or prior to each Notification Due Date, then the interest rate payable on the Sustainability-Linked Senior Notes shall not increase from the Initial Sustainability-Linked Interest Rate pursuant to this paragraph.

The interest rate applicable to the Sustainability-Linked Senior Notes will only be adjusted on the First Step Up Date and the Second Step Up Date based upon the satisfaction or non-satisfaction of a SPT on or prior to the applicable Notification Due Date. Any satisfaction of a SPT subsequent to the applicable Notification Due Date or cessation of satisfaction, or any failure to satisfy a SPT subsequent to the applicable Notification Due Date will not result in an adjustment to the interest rate payable on the Sustainability-Linked Senior Notes.

The Trustee shall not be obliged to monitor, inquire or verify as to whether a SPT has been satisfied. With respect to the rate at which the Sustainability-Linked Senior Notes will bear interest, the Trustee shall be fully protected in conclusively relying upon the Satisfaction Notification delivered to the Trustee by the Company on or prior to the applicable Notification Due Date, which sets out, among other things, the interest rate for the Sustainability-Linked Senior Notes.

For purposes of this Section 5 and, as applicable, Section 9, the following defined terms apply:

“Absolute GHG Emissions” means, for any period, the total aggregate amount of Scope 1 Emissions and Scope 2 Emissions for such period, which, for greater certainty, will not include the purchase of carbon offsets.

“Environmental SPT Observation Date” means December 31, 2030.

“GHG Intensity Performance Reference Period” means the fiscal year of the Company ending December 31, 2030.

“GHG Intensity Performance Target” means a reduction of GHG Intensity of 35% during the GHG Intensity Performance Reference Period relative to the GHG Intensity for the Company’s 2018 fiscal year, provided that if the Company subsequently issues sustainability-linked notes linked to the same GHG Intensity Performance Target and the same Environmental SPT Observation Date, but with a higher reduction target, the GHG Intensity Performance Target shall be automatically adjusted upward to equal the GHG Intensity reduction percentage required by such subsequent sustainability-linked notes.

“GHG Protocol” means the second (2nd) revised edition of the GHG Protocol Corporate Accounting and Reporting Standard of the World Business Council for Sustainable Development and World Resources Institute available at <https://ghgprotocol.org/sites/default/files/standards/ghg-protocolrevised.pdf>. In the event an updated version of the GHG Protocol is published, the Company may elect at its option to apply such revised version for the purposes of calculating Absolute GHG Emissions.

“Percentage of Racial & Ethnic Diversity” means the total number of permanent employees of the Company who self-identify as ethnic or racial minorities divided by the total number of permanent employees of the Company, as calculated by the Company at the end of the fiscal year ending on the Social SPT Observation Date.

“Percentage of Racial & Ethnic Diversity Performance Target” means achieving a Percentage of Racial & Ethnic Diversity equal to or exceeding 28%, provided that if the Company subsequently issues sustainability-linked notes linked to the same Percentage of Racial & Ethnic Diversity performance target and the same Social SPT Observation Date, but with a higher percentage target, the Percentage of Racial & Ethnic Diversity Performance Target shall be automatically adjusted upward to equal the Percentage of Racial & Ethnic Diversity required by such subsequent sustainability-linked notes.

“Scope 1 Emissions” means, for any period, direct greenhouse gas emissions or equivalent CO₂ emissions occurring from sources that are controlled by the Company and its Subsidiaries in the operation of their business, which are determined by the Company in accordance with the GHG Protocol and the Company’s internally developed methodology.

“Scope 2 Emissions” means, for any period, indirect greenhouse gas emissions or equivalent CO₂ emissions occurring from the generation of purchased and imported electricity consumed by the Company and its Subsidiaries in the operation of their business, which are determined by the Company in accordance with the GHG Protocol and the Company’s internally developed methodology.

“Social SPT Observation Date” means December 31, 2025.

“SPTs” means the GHG Intensity Performance Target and the Percentage of Racial & Ethnic Diversity Performance Target.

“Subsidiary” means, solely with respect to the definitions of “Scope 1 Emissions” and “Scope 2 Emissions”, with respect to the Company: (a) any corporation of which at least a majority of the outstanding shares having by the terms thereof ordinary voting power to elect a majority of the board of directors of such corporation (irrespective of whether at the time shares of any other class or classes of such corporation might have voting power by reason of the happening of any contingency, unless the contingency has occurred and then only for as long as it continues) is at the time directly, indirectly or beneficially owned or controlled by the Corporation or one or more of its Subsidiaries, or by the Company and one or more of its Subsidiaries; (b) any partnership of which, at the time, the Corporation or one or more of its Subsidiaries, or the Company and one or more of its Subsidiaries: (i) directly, indirectly or beneficially own or control more than 50% of the income, capital, beneficial or ownership interests (however designated) thereof; and (ii) is a general partner (or the general partner of a general partner), in the case of limited partnerships, or is a partner or has authority to bind the partnership, in all other cases; or (c) any other person of which at least a majority of the income, capital, beneficial or ownership interests (however designated) are at the time directly, indirectly or beneficially owned or controlled by the Company, or one or more of its Subsidiaries, or the Company and one or more of its Subsidiaries.

- (6) **Interest Payment Dates:** February 1 and August 1 of each year, beginning February 1, 2022, subject to adjustment if any such day is not a Business Day.
- (7) **Regular Record Dates for Interest Payable on any Interest Payment Date:** The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will be paid to the Person in whose name the Sustainability-Linked Senior Notes (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the January 15 or July 15, whether or not a Business Day, as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name the Sustainability-Linked Senior Note (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of the Sustainability-Linked Senior Notes not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Sustainability-Linked Senior Notes may be listed, and upon such notice as may be required by such exchange, in each case, all as more fully provided in the Indenture.

- (8) **Place of Payment for the Sustainability-Linked Senior Notes:** The place of payment of the principal of (and premium, if any) and any such interest on the Sustainability-Linked Senior Notes will be the office or agency of the Company maintained for that purpose, which initially shall be the Trustee's corporate trust office in the City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, including by wire transfer of such payment to the person entitled to receive such payments as specified in the Security Register; provided, however, that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register. Notwithstanding the foregoing, payment of any amount payable in respect of a Global Security will be made in accordance with the applicable procedures of the Depositary.
- (9) **Optional Redemption:** Prior to the date that is three months prior to the Sustainability-Linked Maturity Date, the notes of this series will be subject to redemption, in whole or in part, at the Company's option at any time, or from time to time, at a Redemption Price equal to the greater of:
- a. 100% of the principal amount of the Sustainability-Linked Senior Notes to be redeemed, and
 - b. the Sustainability Make Whole Redemption Amount,

plus, in either case, accrued interest on the principal amount being redeemed to the Sustainability-Linked Redemption Date. The Redemption Price for the Sustainability-Linked Senior Notes to be redeemed on any Sustainability-Linked Redemption Date that is on or after the date that is three months prior to the Sustainability-Linked Maturity Date will be equal to 100% of the principal amount of the Sustainability-Linked Senior Notes being redeemed, *plus* accrued and unpaid interest on the principal amount being redeemed to the Sustainability-Linked Redemption Date.

Notwithstanding the foregoing, installments of interest on Sustainability-Linked Senior Notes being redeemed that are due and payable on Interest Payment Dates falling on or prior to the relevant Sustainability-Linked Redemption Date will be payable to the Holders of Sustainability-Linked Senior Notes registered at the close of business on the relevant record dates according to the terms and provisions of the Indenture.

Notice of any redemption will be delivered by first-class mail at least 10 days, but not more than 60 days, before the Sustainability-Linked Redemption Date to each Holder of the Sustainability-Linked Senior Notes to be redeemed.

Unless the Company defaults in payment of the Redemption Price, on and after the Sustainability-Linked Redemption Date, interest will cease to accrue on the Sustainability-Linked Senior Notes or portions of the Sustainability-Linked Senior Notes called for redemption.

In the case of a partial redemption of Sustainability-Linked Senior Notes, selection of such Sustainability-Linked Senior Notes for redemption will be made on a *pro rata* basis. If any Sustainability-Linked Senior Note is redeemed in part, the notice of redemption relating to such Sustainability-Linked Senior Note shall state the portion of the principal amount thereof to be redeemed; *provided* that no Sustainability-Linked Senior Note in an aggregate principal amount of US\$1,000 or less shall be redeemed in part. A replacement Sustainability-Linked Senior Note in the principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Sustainability-Linked Senior Note.

In connection with such optional redemption, the following defined terms apply:

“Adjusted Treasury Rate” means, with respect to any Sustainability-Linked Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue (as defined below), assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (as defined below) for the Sustainability-Linked Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by the Quotation Agent (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Sustainability-Linked Senior Notes to be redeemed (assuming that such Sustainability-Linked Senior Notes matured May 1, 2033, the date that is three months prior to the Sustainability-Linked Maturity Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Sustainability-Linked Senior Notes to be redeemed.

“Comparable Treasury Price” means, with respect to any Sustainability-Linked Redemption Date, (i) the average of the Reference Treasury Dealer Quotations (as defined below) for such Sustainability-Linked Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Quotation Agent” means one of the Reference Treasury Dealers, which is appointed by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Sustainability-Linked Redemption Date, the average, as determined by the Reference Treasury Dealer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 3:30 p.m. (New York time) on the third Business Day preceding such Sustainability-Linked Redemption Date.

“Second Step Up Interest Rate” means, (i) if the First Step Up Interest Rate was in effect (or deemed to be in effect) immediately prior to the Second Step Up Date, the Fully Adjusted Second Step Up Interest Rate or (ii) if the Initial Sustainability-Linked Interest Rate was in effect (or deemed to be in effect) immediately prior to the Second Step Up Date, the Partially Adjusted Second Step Up Interest Rate.

“Sustainability-Linked Redemption Date” means the date fixed for redemption of the Sustainability-Linked Senior Notes.

“Sustainability Make Whole Redemption Amount” means the sum of the present values of the remaining scheduled payments of principal and interest on the Sustainability-Linked Senior Notes to be redeemed (assuming that such Sustainability-Linked Senior Notes matured on May 1, 2033, the date that is three months prior to the Sustainability-Linked Maturity Date), not including any portion of the payments of interest accrued as of the Sustainability-Linked Redemption Date (calculated at the Initial Sustainability-Linked Interest Rate (i) until the First Step Up Date, at which point, the interest rate shall be deemed to be the First Step Up Interest Rate, unless the Company has provided the Trustee with the applicable Satisfaction Notification with respect to the Percentage of Racial & Ethnic Diversity Performance Target on or prior to the First Notification Due Date, in which case the interest rate shall remain at the Initial Sustainability-Linked Interest Rate and (ii) until the Second Step Up Date, at which point, the interest rate shall be deemed to be increased to the Second Step Up Interest Rate, unless the Company has provided the Trustee with the applicable Satisfaction Notification with respect to the GHG Emissions Performance Target on or prior to the Second Notification Due Date, in which case the interest rate shall remain at the interest rate it deemed to be applicable immediately prior to the Second Step Up Date pursuant to clause (i) of this paragraph, discounted to the Sustainability-Linked Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined above) plus 17 basis points.

In the event of redemption of the Sustainability-Linked Senior Notes in part only, a new Sustainability-Linked Senior Note or notes of the series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder thereof upon the cancellation thereof.

(10) **Additional Amounts:**

The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of a Sustainability-Linked Senior Note who is a non-resident of Canada under the *Income Tax Act* (Canada) such additional amounts as may be necessary so that every net payment on such Sustainability-Linked Senior Note, after deduction or withholding by the Company or of any Paying Agent for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) (collectively, “Canadian Taxes”) upon or as a result of such payment, will not be less than the amount provided in the Sustainability-Linked Senior Notes to be then due and payable (and the Company shall remit the full amount withheld to the relevant authority in accordance with applicable law); *provided, however*, that the Company will not be required to make any payment of additional amounts:

- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment to a person on a Sustainability-Linked Senior Note if such payment can be made to such person without such withholding by at least one other Paying Agent the identity of which is provided to such person;

- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on a Sustainability-Linked Senior Note;

nor will additional amounts be paid with respect to any payment on a Sustainability-Linked Senior Note to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Sustainability-Linked Senior Note.

The Company will furnish to the Holders of the Sustainability-Linked Senior Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

Wherever in the Sustainability-Linked Senior Notes or the Indenture there is mentioned, in any context, the payment of principal (and premium, if any), interest or any other amount payable under or with respect to the Sustainability-Linked Senior Notes, such mention shall be deemed to include mention of the payment of additional amounts to the extent that, in such context additional amounts are, were or would be payable in respect thereof.

- (11) **Tax Redemption:** The Sustainability-Linked Senior Notes will be subject to redemption at any time at a Redemption Price equal to the principal amount of the Sustainability-Linked Senior Notes, together with accrued and unpaid interest to the Sustainability-Linked Redemption Date, upon the giving of notice by first-class mail at least 10 days, but not more than 60 days, before the Sustainability-Linked Redemption Date to each Holder of the Sustainability-Linked Senior Notes to be redeemed, if the Company (or its successor) determines that (1) as a result of (A) any amendment to or change (including any announced prospective change) in the laws or related regulations of Canada (or the Company’s successor’s jurisdiction of organization) or of any applicable political subdivision or taxing authority or (B) any amendment to or change in an interpretation or application of such laws or regulations by any legislative body, court, governmental agency or regulatory authority announced or becoming effective on or after June 24, 2021, the Company has or will become obligated to pay, on the next Interest Payment Date for the Sustainability-Linked Senior Notes, additional amounts with respect to any notes of the series as described above, or (2) on or after June 24, 2021, any action has been taken by any taxing authority of, or any decision has been rendered by a court in, Canada (or the Company’s successor’s jurisdiction of organization) or any applicable political subdivision or taxing authority, including any of those actions specified in (1) above, whether or not the action was taken or decision rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in the opinion of the Company’s counsel, will result in the Company becoming obligated to pay, on the next Interest Payment Date, additional amounts with respect to any note of the series, and the Company has determined that the obligation cannot be avoided by the use of reasonable available measures.

- (12) **Denominations:** The Sustainability-Linked Senior Notes are issuable only in registered form without coupons in denominations of US\$2,000 and integral multiples of US\$1,000 thereof.

- (7) **Regular Record Dates for Interest Payable on any Interest Payment Date:** The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will be paid to the Person in whose name the Senior Notes (or one or more Predecessor Securities) is registered on the close of business on the Regular Record Date for such interest, which shall be the January 15 or July 15, whether or not a Business Day, as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name the Senior Note (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of the Senior Notes not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Senior Notes may be listed, and upon such notice as may be required by such exchange, in each case, all as more fully provided in the Indenture.
- (8) **Place of Payment for the Senior Notes:** The place of payment of the principal of (and premium, if any) and any such interest on the Senior Notes will be the office or agency of the Company maintained for that purpose, which initially shall be the Trustee’s corporate trust office in the City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, including by wire transfer of such payment to the person entitled to receive such payments as specified in the Security Register; provided, however, that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register. Notwithstanding the foregoing, payment of any amount payable in respect of a Global Security will be made in accordance with the applicable procedures of the Depositary.

- (9) **Optional Redemption:** Prior to the date that is six months prior to the Senior Maturity Date, the notes of this series will be subject to redemption, in whole or in part, at the Company's option at any time, or from time to time, at a Redemption Price equal to the greater of:
- a. 100% of the principal amount of the Senior Notes to be redeemed, and
 - b. the sum of the present values of the remaining scheduled payments of principal and interest on the Senior Notes to be redeemed (assuming that such Senior Notes matured on February 1, 2051, the date that is six months prior to the Senior Maturity Date), not including any portion of the payments of interest accrued as of the date fixed for redemption of the Senior Notes (the "Senior Redemption Date"), discounted to the Senior Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined below) plus 20 basis points,

plus, in either case, accrued interest on the principal amount being redeemed to the Senior Redemption Date. The Redemption Price for the Senior Notes to be redeemed on any Senior Redemption Date that is on or after the date that is six months prior to the Senior Maturity Date will be equal to 100% of the principal amount of the Senior Notes being redeemed, *plus* accrued and unpaid interest on the principal amount being redeemed to the Senior Redemption Date.

Notwithstanding the foregoing, installments of interest on Senior Notes being redeemed that are due and payable on Interest Payment Dates falling on or prior to the relevant Senior Redemption Date will be payable to the Holders of Senior Notes registered at the close of business on the relevant record dates according to the terms and provisions of the Indenture.

Notice of any redemption will be delivered by first-class mail at least 10 days, but not more than 60 days, before the Senior Redemption Date to each Holder of the Senior Notes to be redeemed.

Unless the Company defaults in payment of the Redemption Price, on and after the Senior Redemption Date, interest will cease to accrue on the Senior Notes or portions of the Senior Notes called for redemption.

In the case of a partial redemption of Senior Notes, selection of such Senior Notes for redemption will be made on a *pro rata* basis. If any Senior Note is redeemed in part, the notice of redemption relating to such Senior Note shall state the portion of the principal amount thereof to be redeemed; *provided* that no Senior Note in an aggregate principal amount of US\$1,000 or less shall be redeemed in part. A replacement Senior Note in the principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Senior Note.

In connection with such optional redemption, the following defined terms apply:

“Adjusted Treasury Rate” means, with respect to any Senior Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue (as defined below), assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (as defined below) for the Senior Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by the Quotation Agent (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Senior Notes to be redeemed (assuming that such Senior Notes matured February 1, 2051, the date that is six months prior to the Senior Maturity Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Senior Notes to be redeemed.

“Comparable Treasury Price” means, with respect to any Senior Redemption Date, (i) the average of the Reference Treasury Dealer Quotations (as defined below) for such Senior Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Quotation Agent” means one of the Reference Treasury Dealers, which is appointed by the Company.

“Reference Treasury Dealer” means each of Credit Suisse Securities (USA) LLC, BofA Securities, Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC and a Primary Treasury Dealer (as defined below) selected by SMBC Nikko Securities America, Inc. and their respective successors; provided, however, that if such entity or its successor shall cease to be a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”), the Company shall substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Senior Redemption Date, the average, as determined by the Reference Treasury Dealer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 3:30 p.m. (New York time) on the third Business Day preceding such Senior Redemption Date.

In the event of redemption of the Senior Notes in part only, a new Senior Note or notes of the series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder thereof upon the cancellation thereof.

- (10) **Additional Amounts:** The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of a Senior Note who is a non-resident of Canada under the *Income Tax Act* (Canada) such additional amounts as may be necessary so that every net payment on such Senior Note, after deduction or withholding by the Company or of any Paying Agent for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) (collectively, “Canadian Taxes”) upon or as a result of such payment, will not be less than the amount provided in the Senior Notes to be then due and payable (and the Company shall remit the full amount withheld to the relevant authority in accordance with applicable law); *provided, however*, that the Company will not be required to make any payment of additional amounts:
- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under the Senior Notes not dealing at arm’s length with the Company (within the meaning of the *Income Tax Act* (Canada)), (ii) being a “specified shareholder” (as defined in subsection 18(5) of the *Income Tax Act* (Canada)) of the Company, or (iii) not dealing at arm’s length (for the purposes of the *Income Tax Act* (Canada)) with such a “specified shareholder”;
 - (b) to any person by reason of such person being connected with Canada (otherwise than merely by holding or ownership of a Senior Note or receiving any payments or exercising any rights thereunder), including without limitation a non-resident insurer who carries on an insurance business in Canada and in a country other than Canada;
 - (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the Holder of a Senior Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the Holder’s failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
 - (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;

- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment to a person on a Senior Note if such payment can be made to such person without such withholding by at least one other Paying Agent the identity of which is provided to such person;
- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on a Senior Note;
- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Company or the Guarantors and the United States or any authority thereof implementing FATCA; or
- (h) for any combination of items (a), (b), (c), (d), (e), (f) and (g).

nor will additional amounts be paid with respect to any payment on a Senior Note to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Senior Note.

The Company will furnish to the Holders of the Senior Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

- (11) **Tax Redemption:** The Senior Notes will be subject to redemption at any time at a Redemption Price equal to the principal amount of the Senior Notes, together with accrued and unpaid interest to the Senior Redemption Date, upon the giving of notice by first-class mail at least 10 days, but not more than 60 days, before the Senior Redemption Date to each Holder of the Senior Notes to be redeemed, if the Company (or its successor) determines that (1) as a result of (A) any amendment to or change (including any announced prospective change) in the laws or related regulations of Canada (or the Company's successor's jurisdiction of organization) or of any applicable political subdivision or taxing authority or (B) any amendment to or change in an interpretation or application of such laws or regulations by any legislative body, court, governmental agency or regulatory authority announced or becoming effective on or after June 24, 2021, the Company has or will become obligated to pay, on the next Interest Payment Date for the Senior Notes, additional amounts with respect to any notes of the series as described above, or (2) on or after June 24, 2021, any action has been taken by any taxing authority of, or any decision has been rendered by a court in, Canada (or the Company's successor's jurisdiction of organization) or any applicable political subdivision or taxing authority, including any of those actions specified in (1) above, whether or not the action was taken or decision rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in the opinion of the Company's counsel, will result in the Company becoming obligated to pay, on the next Interest Payment Date, additional amounts with respect to any note of the series, and the Company has determined that the obligation cannot be avoided by the use of reasonable available measures.

- (12) **Denominations:** The Senior Notes are issuable only in registered form without coupons in denominations of US\$2,000 and integral multiples of US\$1,000 thereof.

This Security is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, between the Company and the Trustee, the Sixth Supplemental Indenture, dated as of May 13, 2019, among the Company, Spectra Energy Partners, LP (“SEP”), Enbridge Energy Partners, L.P. (“EEP” and, together with SEP, the “Guarantors”) and the Trustee and the Eighth Supplemental Indenture, dated as of June 28, 2021, among the Company, the Guarantors and the Trustee (herein called the “Indenture,” which term shall have the meaning assigned to it in such instrument), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated as the 2.500% Sustainability-Linked Senior Notes due 2033 of the Company, issued in initial aggregate principal amount of \$1,000,000,000.

From and including August 1, 2026 (or if such day is not a Business Day, the next succeeding Business Day) (the “First Step Up Date”), the interest rate payable on this Note shall be increased by 5 basis points to 2.550% per annum (the “First Step Up Interest Rate”), unless the Company has notified the Trustee in writing on or before the date that is 15 days prior to August 1, 2026 (the “First Notification Due Date”) in the form of an Officers’ Certificate (the “Satisfaction Notification”) that the Company has determined that (i) the Company has satisfied the Percentage of Racial & Ethnic Diversity Performance Target (as defined herein) and (ii) the Company has received a related assurance letter from the External Verifier (as defined herein) (such letter, an “Assurance Letter”). From and including August 1, 2031 (or if such day is not a Business Day, the next succeeding Business Day) (the “Second Step Up Date”), the interest rate payable on this Note shall be increased by 50 basis points to (x) 3.050% per annum (the “Fully Adjusted Second Step Up Interest Rate”) if the First Step Up Interest Rate was in effect immediately prior to the Second Step Up Date or (y) 3.000% per annum (the “Partially Adjusted Second Step Up Interest Rate”) if the Initial Interest Rate was in effect immediately prior to the Second Step Up Date, unless the Company has provided a Satisfaction Notification to the Trustee in writing on or before the date that is 15 days prior to August 1, 2031 (the “Second Notification Due Date” and, with the First Notification Due Date, each a “Notification Due Date”) that the Company has determined that (i) the Company has satisfied the GHG Emission Performance Target (as defined herein) and (ii) the Company has received a related Assurance Letter from the External Verifier.

Whenever in this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of this Note or of principal, interest or of any other amount payable under, or with respect to, this Note, such mention shall be deemed to include mention of the payment of interest for this Note calculated at the First Step Up Interest Rate, the Partially-Adjusted Second Step Up Interest Rate or the Fully Adjusted Second Step Up Interest Rate, as context may require, to the extent that, in such context, interest calculated at the First Step Up Interest Rate, the Partially-Adjusted Second Step Up Interest Rate or the Fully Adjusted Second Step Up Interest Rate, as applicable, is, was or would be payable in respect thereof.

The interest rate applicable to this Note will only be adjusted on the First Step Up Date and the Second Step Up Date based upon the satisfaction or non-satisfaction of a SPT on or prior to the applicable Notification Due Date. Any satisfaction of a Step Up Target subsequent to the applicable Notification Due Date or cessation of satisfaction, or any failure to satisfy a Step Up Target subsequent to the applicable Notification Due Date will not result in an adjustment to the interest rate payable on this Note.

The Trustee shall not be obliged to monitor or inquire as to whether the Step Up Targets have been satisfied. With respect to the rate at which this Note will bear interest, the Trustee shall be fully protected in conclusively relying upon an Officers' Certificate delivered to the Trustee by the Corporation on or prior to the applicable Notification Due Date, which sets out the interest rate for this Note.

In connection with this interest determination provisions of this Note and the redemption provisions described below, the following defined terms apply:

"Absolute GHG Emissions" means, for any period, the total aggregate amount of Scope 1 Emissions and Scope 2 Emissions for such period, which, for greater certainty, will not include the purchase of carbon offsets.

“GHG Protocol” means the second (2nd) revised edition of the GHG Protocol Corporate Accounting and Reporting Standard of the World Business Council for Sustainable Development and World Resources Institute available at <https://ghgprotocol.org/sites/default/files/standards/ghg-protocolrevised.pdf>. “Percentage of Racial & Ethnic Diversity” means the total number of permanent employees of the Company who self-identify as ethnic or racial minorities divided by the total number of permanent employees of the Company, as calculated by the Company at the end of the fiscal year ending on the Social SPT Observation Date.

“Percentage of Racial & Ethnic Diversity Performance Target” means achieving a Percentage of Racial & Ethnic Diversity equal to or exceeding 28%, provided that if the Company subsequently issues sustainability-linked notes linked to the same Percentage of Racial & Ethnic Diversity performance target and the same Social SPT Observation Date, but with a higher percentage target, the Percentage of Racial & Ethnic Diversity Performance Target shall be automatically adjusted upward to equal the Percentage of Racial & Ethnic Diversity required by such subsequent sustainability-linked notes.

“Scope 1 Emissions” means, for any period, direct greenhouse gas emissions or equivalent CO2 emissions occurring from sources that are controlled by the Company and its Subsidiaries in the operation of their business, which are determined by the Company in accordance with the GHG Protocol and the Company’s internally developed methodology.

“Scope 2 Emissions” means, for any period, indirect greenhouse gas emissions or equivalent CO2 emissions occurring from the generation of purchased and imported electricity consumed by the Company and its Subsidiaries in the operation of their business, which are determined by the Company in accordance with the GHG Protocol and the Company’s internally developed methodology.

“Social SPT Observation Date” means December 31, 2025.

“SPTs” means the GHG Intensity Performance Target and the Percentage of Racial & Ethnic Diversity Performance Target.

“Subsidiary” means, solely with respect to the definitions of “Scope 1 Emissions” and “Scope 2 Emissions”, with respect to the Corporation: (a) any corporation of which at least a majority of the outstanding shares having by the terms thereof ordinary voting power to elect a majority of the board of directors of such corporation (irrespective of whether at the time shares of any other class or classes of such corporation might have voting power by reason of the happening of any contingency, unless the contingency has occurred and then only for as long as it continues) is at the time directly, indirectly or beneficially owned or controlled by the Corporation or one or more of its Subsidiaries, or by the Corporation and one or more of its Subsidiaries; (b) any partnership of which, at the time, the Corporation or one or more of its Subsidiaries, or the Corporation and one or more of its Subsidiaries: (i) directly, indirectly or beneficially own or control more than 50% of the income, capital, beneficial or ownership interests (however designated) thereof; and (ii) is a general partner (or the general partner of a general partner), in the case of limited partnerships, or is a partner or has authority to bind the partnership, in all other cases; or (c) any other person of which at least a majority of the income, capital, beneficial or ownership interests (however designated) are at the time directly, indirectly or beneficially owned or controlled by the Corporation, or one or more of its Subsidiaries, or the Corporation and one or more of its Subsidiaries.

The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of a Note who is a non-resident of Canada under the *Income Tax Act* (Canada) such additional amounts as may be necessary so that every net payment on such Note, after deduction or withholding by the Company or of any Paying Agent for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) (collectively, “Canadian Taxes”) upon or as a result of such payment, will not be less than the amount provided in the Notes to be then due and payable (and the Company shall remit the full amount withheld to the relevant authority in accordance with applicable law); *provided, however*, that the Company will not be required to make any payment of additional amounts:

- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under the Notes not dealing at arm’s length with the Company (within the meaning of the *Income Tax Act* (Canada)), (ii) being a “specified shareholder” (as defined in subsection 18(15) of the *Income Tax Act* (Canada)) of the Company, or (iii) not dealing at arm’s length (for the purposes of the *Income Tax Act* (Canada)) with such a “specified shareholder”;

-

- (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the Holder of a Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the Holder's failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
- (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment to a person on a Note if such payment can be made to such person without such withholding by at least one other Paying Agent the identity of which is provided to such person;
- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on a Note;
- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Company or the Guarantors and the United States or any authority thereof implementing FATCA; or

nor will additional amounts be paid with respect to any payment on a Note to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

The Company will furnish to the Holders of the Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

Wherever in this Note or the Indenture there is mentioned, in any context, the payment of principal (and premium, if any), interest or any other amount payable under or with respect to the Notes, such mention shall be deemed to include mention of the payment of additional amounts to the extent that, in such context additional amounts are, were or would be payable in respect thereof.

The Company may, at any time, and from time to time, issue additional Notes under the Indenture in unlimited amounts having the same terms as this Note, and such additional Notes will, together with this Note and any Notes which may be issued in exchange or substitution herefor, constitute a single series of Notes under the Indenture.

Prior to the date that is three months prior to Maturity, the Notes of this series will be subject to redemption, in whole or in part, at the Company's option at any time, or from time to time, at a Redemption Price equal to the greater of:

- the Sustainability Make Whole Redemption Amount,

plus, in either case, accrued interest on the principal amount being redeemed to the Redemption Date. The Redemption Price for the Notes to be redeemed on any Redemption Date that is on or after the date that is three months prior to Maturity of the Notes will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest on the principal amount being redeemed to the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes being redeemed that are due and payable on Interest Payment Dates falling on or prior to the relevant Redemption Date will be payable to the Holders of Notes registered at the close of business on the relevant record dates according to the terms and provisions of the Indenture.

Notice of any redemption will be delivered by first-class mail at least 10 days, but not more than 60 days, before the Redemption Date to each Holder of the Notes to be redeemed.

Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

In the case of a partial redemption of Notes, selection of such Notes for redemption will be made on a pro rata basis. If any Note is redeemed in part, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed; *provided* that no Note in an aggregate principal amount of US\$1,000 or less shall be redeemed in part. A replacement Note in the principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note.

In connection with the interest determination provisions of this Note and such optional redemption, the following defined terms apply:

“Adjusted Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for the Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming that such Notes matured on May 1, 2033, the date that is three months prior to Maturity of the Notes) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any Redemption Date, (i) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Quotation Agent” means one of the Reference Treasury Dealers, which is appointed by the Company.

“Reference Treasury Dealer” means each of Credit Suisse Securities (USA) LLC, BofA Securities, Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC and a Primary Treasury Dealer (as defined below) selected by SMBC Nikko Securities America, Inc. and their respective successors; provided, however, that if such entity or its successor shall cease to be a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”), the Company shall substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Reference Treasury Dealer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 3:30 p.m. (New York time) on the third business day preceding such Redemption Date.

“Second Step Up Interest Rate” means, (i) if the First Step Up Interest Rate was in effect (or deemed to be in effect) immediately prior to the Second Step Up Date, the Fully Adjusted Second Step Up Interest Rate or (ii) if the Initial Interest Rate was in effect (or deemed to be in effect) immediately prior to the Second Step Up Date, the Partially Adjusted Second Step Up Interest Rate.

“Sustainability Make Whole Redemption Amount” means the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (assuming that such Notes matured on May 1, 2033, the date that is three months prior to Maturity of the Notes), not including any portion of the payments of interest accrued as of the Redemption Date (calculated at the Initial Interest Rate (i) until the First Step Up Date, at which point, the interest rate shall be deemed to be the First Step Up Interest Rate, unless the Company has provided the Trustee with the applicable Satisfaction Notification with respect to the Percentage of Racial & Ethnic Diversity Performance Target on or prior to the First Notification Due Date, in which case the interest rate shall remain at the Initial Interest Rate and (ii) until the Second Step Up Date, at which point, the interest rate shall be deemed to be increased to the Second Step Up Interest Rate, unless the Company has provided the Trustee with the applicable Satisfaction Notification with respect to the GHG Emissions Performance Target on or prior to the Second Notification Due Date, in which case the interest rate shall remain at the interest rate it deemed to be applicable immediately prior to the Second Step Up Date pursuant to clause (i) of this paragraph, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined above) plus 17 basis points.

In the event of redemption of this Note in part only, a new Note or Notes of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

The Notes of this series will be subject to redemption at any time at a Redemption Price equal to the principal amount of the Notes, together with accrued and unpaid interest to the Redemption Date, upon the giving of notice by first-class mail at least 10 days, but not more than 60 days, before the Redemption Date to each Holder of the Notes to be redeemed, if the Company (or its successor) determines that (1) as a result of (A) any amendment to or change (including any announced prospective change) in the laws or related regulations of Canada (or the Company's successor's jurisdiction of organization) or of any applicable political subdivision or taxing authority or (B) any amendment to or change in an interpretation or application of such laws or regulations by any legislative body, court, governmental agency or regulatory authority announced or becoming effective on or after June 24, 2021, the Company has or will become obligated to pay, on the next Interest Payment Date for the Notes, additional amounts with respect to any Notes of the series as described above, or (2) on or after June 24, 2021, any action has been taken by any taxing authority of, or any decision has been rendered by a court in, Canada (or the Company's successor's jurisdiction of organization) or any applicable political subdivision or taxing authority, including any of those actions specified in (1) above, whether or not the action was taken or decision rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in the opinion of the Company's counsel, will result in the Company becoming obligated to pay, on the next Interest Payment Date, additional amounts with respect to any Note of the series, and the Company has determined that the obligation cannot be avoided by the use of reasonable available measures.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time Outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, certain obligations of the Company under the Indenture and this Note are guaranteed pursuant to guarantees endorsed hereon as provided in the Indenture. Each Holder, by holding this Note, agrees to all of the terms and provisions of said guarantees. The Indenture provides that either guarantor shall be released from its guarantee upon the occurrence of certain events.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of US\$2,000 and integral multiples of US\$1,000 thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are not defined in this Note and are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Enbridge Inc.

3.400% Senior Notes due
2051

This Security is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, between the Company and the Trustee, the Sixth Supplemental Indenture, dated as of May 13, 2019, among the Company, Spectra Energy Partners, LP (“SEP”), Enbridge Energy Partners, L.P. (“EEP” and, together with SEP, the “Guarantors”) and the Trustee and the Eighth Supplemental Indenture, dated as of June 28, 2021, among the Company, the Guarantors and the Trustee (herein called the “Indenture,” which term shall have the meaning assigned to it in such instrument), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated as the 3.400% Senior Notes due 2051 of the Company, issued in initial aggregate principal amount of \$500,000,000.

The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of a Note who is a non-resident of Canada under the *Income Tax Act* (Canada) such additional amounts as may be necessary so that every net payment on such Note, after deduction or withholding by the Company or of any Paying Agent for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) (collectively, “Canadian Taxes”) upon or as a result of such payment, will not be less than the amount provided in the Notes to be then due and payable (and the Company shall remit the full amount withheld to the relevant authority in accordance with applicable law); *provided, however*, that the Company will not be required to make any payment of additional amounts:

- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under the Notes not dealing at arm’s length with the Company (within the meaning of the *Income Tax Act* (Canada)), (ii) being a “specified shareholder” (as defined in subsection 18(15) of the *Income Tax Act* (Canada)) of the Company, or (iii) not dealing at arm’s length (for the purposes of the *Income Tax Act* (Canada)) with such a “specified shareholder”;
-

- (b) to any person by reason of such person being connected with Canada (otherwise than merely by holding or ownership of a Note or receiving any payments or exercising any rights thereunder), including without limitation a non-resident insurer who carries on an insurance business in Canada and in a country other than Canada;
- (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the Holder of a Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the Holder's failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
- (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment to a person on a Note if such payment can be made to such person without such withholding by at least one other Paying Agent the identity of which is provided to such person;
- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on a Note;
- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Company or the Guarantors and the United States or any authority thereof implementing FATCA; or
- (h) for any combination of items (a), (b), (c), (d), (e), (f) and (g);

nor will additional amounts be paid with respect to any payment on a Note to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

The Company will furnish to the Holders of the Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

Wherever in this Note or the Indenture there is mentioned, in any context, the payment of principal (and premium, if any), interest or any other amount payable under or with respect to the Notes, such mention shall be deemed to include mention of the payment of additional amounts to the extent that, in such context additional amounts are, were or would be payable in respect thereof.

The Company may, at any time, and from time to time, issue additional Notes under the Indenture in unlimited amounts having the same terms as this Note, and such additional Notes will, together with this Note and any Notes which may be issued in exchange or substitution herefor, constitute a single series of Notes under the Indenture.

Prior to the date that is six months prior to Maturity, the Notes of this series will be subject to redemption, in whole or in part, at the Company's option at any time, or from time to time, at a Redemption Price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, and
- the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (assuming that such Notes matured on February 1, 2051, the date that is six months prior to Maturity of the Notes), not including any portion of the payments of interest accrued as of the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined below) plus 20 basis points,

plus, in either case, accrued interest on the principal amount being redeemed to the Redemption Date. The Redemption Price for the Notes to be redeemed on any Redemption Date that is on or after the date that is six months prior to Maturity of the Notes will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest on the principal amount being redeemed to the Redemption Date.

Notwithstanding the foregoing, installments of interest on Notes being redeemed that are due and payable on Interest Payment Dates falling on or prior to the relevant Redemption Date will be payable to the Holders of Notes registered at the close of business on the relevant record dates according to the terms and provisions of the Indenture.

Notice of any redemption will be delivered by first-class mail at least 10 days, but not more than 60 days, before the Redemption Date to each Holder of the Notes to be redeemed.

Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

In the case of a partial redemption of Notes, selection of such Notes for redemption will be made on a pro rata basis. If any Note is redeemed in part, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed; *provided* that no Note in an aggregate principal amount of US\$1,000 or less shall be redeemed in part. A replacement Note in the principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note.

In connection with such optional redemption, the following defined terms apply:

“Adjusted Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for the Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming that such Notes matured on February 1, 2051, the date that is six months prior to Maturity of the Notes) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any Redemption Date, (i) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Quotation Agent” means one of the Reference Treasury Dealers, which is appointed by the Company.

“Reference Treasury Dealer” means each of Credit Suisse Securities (USA) LLC, BofA Securities, Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC and a Primary Treasury Dealer (as defined below) selected by SMBC Nikko Securities America, Inc. and their respective successors; provided, however, that if such entity or its successor shall cease to be a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”), the Company shall substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Reference Treasury Dealer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 3:30 p.m. (New York time) on the third business day preceding such Redemption Date.

In the event of redemption of this Note in part only, a new Note or Notes of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

The Notes of this series will be subject to redemption at any time at a Redemption Price equal to the principal amount of the Notes, together with accrued and unpaid interest to the Redemption Date, upon the giving of notice by first-class mail at least 10 days, but not more than 60 days, before the Redemption Date to each Holder of the Notes to be redeemed, if the Company (or its successor) determines that (1) as a result of (A) any amendment to or change (including any announced prospective change) in the laws or related regulations of Canada (or the Company's successor's jurisdiction of organization) or of any applicable political subdivision or taxing authority or (B) any amendment to or change in an interpretation or application of such laws or regulations by any legislative body, court, governmental agency or regulatory authority announced or becoming effective on or after June 24, 2021, the Company has or will become obligated to pay, on the next Interest Payment Date for the Notes, additional amounts with respect to any Notes of the series as described above, or (2) on or after June 24, 2021, any action has been taken by any taxing authority of, or any decision has been rendered by a court in, Canada (or the Company's successor's jurisdiction of organization) or any applicable political subdivision or taxing authority, including any of those actions specified in (1) above, whether or not the action was taken or decision rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in the opinion of the Company's counsel, will result in the Company becoming obligated to pay, on the next Interest Payment Date, additional amounts with respect to any Note of the series, and the Company has determined that the obligation cannot be avoided by the use of reasonable available measures.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time Outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, certain obligations of the Company under the Indenture and this Note are guaranteed pursuant to guarantees endorsed hereon as provided in the Indenture. Each Holder, by holding this Note, agrees to all of the terms and provisions of said guarantees. The Indenture provides that either guarantor shall be released from its guarantee upon the occurrence of certain events.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of US\$2,000 and integral multiples of US\$1,000 thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

ARTICLE ONE

PROVISIONS OF GENERAL APPLICATION

Section 1.1 Relation to Indenture as Originally Executed

This Eighth Supplemental Indenture constitutes a part of the Indenture in respect of Securities issued on or after the date hereof, including additional Securities issued under an existing series, but shall not modify, amend or otherwise affect the Indenture insofar as it relates to any other Securities, including any existing Securities issued under an existing series.

Section 1.2 Modification of the Indenture

- (a) Section 101 of the Indenture is hereby amended to (i) delete the period at the end of clause (6), (ii) move the word “and” at the end of clause (5) to the end of clause (6) and (iii) insert the following clause (7):

All references to “execution”, “signed”, “signature”, “attestation” or “authentication” and words of like import shall be deemed to include signatures that are made or transmitted by images of manually executed signatures transmitted by facsimile, email or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) and other electronic signatures (including without limitation DocuSign and AdobeSign or any other similar platform identified by the Company and reasonably available at no undue burden or expense to the Trustee).

- (b) Section 112(b) of the Indenture is hereby amended to delete and replace the second full paragraph with the following paragraph:

As long as any of the Securities remain outstanding, the Company will at all times have an authorized agent in the United States upon whom process may be served in any legal action or proceeding arising out of or relating to the Indenture or any Security. Service of process upon such agent and written notice of such service mailed or delivered to the Company shall to the extent permitted by law be deemed in every respect effective service of process upon the Company in any such legal action or proceeding. The Company hereby appoints Enbridge (U.S.) Inc. as its agent for such purpose, and covenants and agrees that service of process in any such legal action or proceeding may be made upon it at the office of such agent at 5400 Westheimer Court, Houston, Texas 77056 (or at such other address in the United States, as the Company may designate by written notice to the Trustee); provided that the Company may replace Enbridge (U.S.) Inc. with any other agent located in the United States pursuant to an Officers’ Certificate or an indenture supplemental hereto; provided further that nothing in this Section 112(b) shall affect the appointment of any agent of service of process with respect to any Securities issued prior to the date of the Eighth Supplemental Indenture.

- (c) Section 202 of the Indenture is hereby amended to delete and replace the second to last full paragraph with the following paragraph:

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual or electronic signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

- (d) Section 303 of the Indenture is hereby amended to:

- (i) delete and replace the first and second full paragraphs with the following paragraphs:

The Securities shall be executed on behalf of the Company by any two of its officers having the title of President & Chief Executive Officer, Vice President (including any Executive, Group or other Vice President) or Corporate Secretary. The signature of any of these officers on the Securities may be manual, facsimile or electronic.

Securities bearing the manual, facsimile or electronic signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

(ii) delete and replace the last full paragraph with the following paragraph:

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual or electronic signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 309, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

(e) Section 1409 of the Indenture is hereby amended to delete and replace the second and third full paragraphs with the following paragraphs:

The Guarantees shall be executed on behalf of each respective Guarantor by any authorized person of the Guarantor. The signature of any such authorized person on the Guarantee may be manual, facsimile or electronic.

A Guarantee bearing the manual, facsimile or electronic signatures of individuals who were at any time the proper authorized persons of a Guarantor shall bind such Guarantor, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of the Security on which such Guarantee is endorsed or did not hold such offices at the date of such Guarantee.

(f) Exhibit A to the Indenture, as originally set forth in the Sixth Supplemental Indenture, is hereby amended to delete (i) the signature block of Enbridge Inc. and (ii) each of the attestation signature blocks contained on the last page thereto.

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933 (the “Act”) of (i) US\$1,000,000,000 aggregate principal amount of 2.500% Sustainability-Linked Senior Notes due 2033 and (ii) US\$500,000,000 aggregate principal amount of 3.400% Senior Notes due 2051 (together, the “Debt Securities”) of Enbridge Inc., a corporation organized under the laws of Canada (the “Company”) and guarantees of the Debt Securities (the “Guarantees”) of Enbridge Energy Partners, L.P., a Delaware limited partnership (“EEP”), and Spectra Energy Partners, LP, a Delaware limited partnership (“SEP” and, together with EEP, the “Guarantors”), issued pursuant to the Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as Trustee (the “Trustee”), as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, between the Company and the Trustee, the Sixth Supplemental Indenture, dated as of May 13, 2019, among the Company, the Guarantors and the Trustee and the Eighth Supplemental Indenture, dated as of June 28, 2021, among the Company, the Guarantors and the Trustee, we, as your United States counsel, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, it is our opinion that (i) the Debt Securities constitute valid and legally binding obligations of the Company and (ii) the Guarantees constitute valid and legally binding obligations of the Guarantors, subject in the cases of clauses (i) and (ii) above, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

In rendering the foregoing opinion, we are not passing upon, and assume no responsibility for, any disclosure in any registration statement or any related prospectus or other offering material relating to the Debt Securities, the Guarantees or their offering and sale.

The foregoing opinion is limited to the Federal laws of the United States, the Delaware Revised Uniform Limited Partnership Act and the statutory laws of the State of New York, and we are expressing no opinion as to the effect of the laws of any other jurisdiction. With respect to all matters of the laws of Canada and Alberta, we note that you have received an opinion dated the date hereof of McCarthy Tétrault LLP. In rendering the foregoing opinion, we have assumed, without independent verification, that the Company is duly organized, validly existing and in good standing under the laws of Canada, that the Indenture was duly authorized, executed and delivered by the Company insofar as the laws of Canada and the applicable laws of Alberta are concerned, that all corporate action by the Company related to the Debt Securities was duly authorized as a matter of Canadian law and that the Debt Securities have been duly authorized, executed, authenticated, issued and delivered insofar as the laws of Canada and the applicable laws of Alberta are concerned.

We have relied as to certain factual matters on information obtained from public officials, officers of the Company and the Guarantors and other sources believed by us to be responsible, and we have assumed that the Indenture has been duly authorized, executed and delivered by the Trustee, that the Debt Securities and Guarantees conform to the specimens thereof examined by us, that the Trustee's certificates of authentication of the Debt Securities have been signed by one of the Trustee's authorized officers, and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

Dear Sirs and Mesdames:

Re: Enbridge Inc. (the “Corporation”)
Issue of US\$1,000,000,000 2.500% Sustainability-Linked Senior Notes due 2033 and US\$500,000,000 3.400% Senior Notes due 2051

We have acted as Canadian counsel to the Corporation, a corporation governed by the *Canada Business Corporations Act*, in connection with the issue and sale by the Corporation of US\$1,000,000,000 aggregate principal amount of 2.500% Sustainability-Linked Senior Notes due 2033 and US\$500,000,000 aggregate principal amount of 3.400% Senior Notes due 2051 (collectively, the “**Debt Securities**”), which are being issued pursuant to a trust indenture dated as of February 25, 2005, as amended and supplemented from time to time (the “**Indenture**”), between the Corporation and Deutsche Bank Trust Company Americas (the “**Trustee**”).

We understand that the Corporation has prepared and filed with the Securities and Exchange Commission (the “**SEC**”) a registration statement (File No. 333-231553) on Form S-3 (the “**Registration Statement**”) under the *United States Securities Act of 1933*, as amended, and that the Registration Statement includes the United States Basic Prospectus (which document is referred to as the “**U.S. Basic Prospectus**”). The U.S. Basic Prospectus as supplemented by a prospectus supplement thereto dated June 24, 2021, filed with the SEC is referred to as the “**U.S. Final Prospectus**”. We understand that the Debt Securities will be distributed in the United States pursuant to the U.S. Final Prospectus.

Scope of Review

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such public and corporate records, certificates, instruments and other documents, including the Registration Statement, and have considered such questions of law as we have deemed relevant and necessary as a basis for the opinion hereinafter expressed. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies, certified or otherwise.

As to certain matters of fact relevant to the opinion expressed below, we have relied exclusively upon a certificate of an officer of the Corporation dated June 28, 2021.

The opinions herein expressed are restricted to the laws of the Province of Alberta and the laws of Canada applicable therein in effect as of the date hereof.

Opinion

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. The Corporation is validly existing as a corporation under the *Canada Business Corporations Act*.
2. The Indenture has been duly authorized and, to the extent execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, executed and delivered by the Corporation and forms a legal, valid and binding obligation of the Corporation, enforceable against the Corporation in accordance with its terms.
3. The Debt Securities have been duly authorized and, assuming that the Debt Securities have been duly authenticated by the Trustee in the manner described in the Indenture and under New York law, to the extent issuance, execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, issued, executed and delivered by the Corporation.

With respect to the opinions expressed in sections 2 and 3, the enforceability of the Indenture and the Debt Securities may be limited by:

- (a) any applicable bankruptcy, insolvency or other similar laws of general application affecting the enforcement of creditors' rights generally;
- (b) the qualification that the granting of equitable remedies such as specific performance and injunction are in the discretion of the court having jurisdiction;
- (c) the equitable or statutory power of the court having jurisdiction to stay proceedings before it and the execution of judgments;
- (d) the qualification that legal or equitable claims may become barred under laws regarding limitation of actions;
- (e) the qualification that the *Currency Act* (Canada) precludes a court in Canada from rendering a judgment in a currency other than Canadian dollars; and
- (f) a court's discretion in:
 - (i) enforcing any provision of any agreement providing that modifications, amendments or waivers of or with respect to any such agreement that are not in writing will not be effective;
 - (ii) enforcing any section of the Indenture that purports to waive or limit rights or defences of a party;
 - (iii) enforcing any provision of the Indenture that purports to sever from such agreement any provision that is found to be void or unenforceable; and

(iv) treating as conclusive, final or binding those certificates and determinations of fact which the Indenture states are to be so treated.

We hereby consent to the filing of this opinion as an exhibit to the Current Report on Form 8-K, which forms a part of the Registration Statement and to the use of this firm's name under the captions "Material Canadian Income Tax Considerations" and "Validity of Securities" in the U.S. Final Prospectus. In giving the foregoing consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the SEC promulgated thereunder.

Yours very truly,
