1. Representations and Warranties. The Company and each Subsidiary Guarantor, jointly and severally, represent and warrant to, and agree with, each Underwriter as set forth below in this Section 1 that:

(a) [Reserved.]

The term “**Disclosure Package**” shall mean (i) the Preliminary Prospectus Supplement dated February 16, 2021, (ii) the Issuer Free Writing Prospectuses, if any, attached as part of Annex G hereto, and (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. As of 2:30 p.m. (Eastern time) on the date of execution and delivery of this Agreement (the “**Applicable Time**”), the Disclosure Package did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

The Company has been since the time of initial filing of the Registration Statement and continues to be a “well-known seasoned issuer” (as defined in Rule 405 of the Act) eligible to use Form S-3 for the offering of the Securities, including not having been an “ineligible issuer” (as defined in Rule 405 of the Act) at any such time or date. The Registration Statement is an “automatic shelf registration statement” (as defined in Rule 405 of the Act) and was filed not earlier than the date that is three years prior to the Closing Date.

(b.5) Issuer Free Writing Prospectuses. Each Issuer Free Writing Prospectus, as of its issue date, did not include any information that conflicted with the information contained in the Registration Statement, including any document incorporated by reference therein that has not been superseded or modified. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Company has promptly notified or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

(b.6) Distribution of Offering Material by the Company. (e) Company Good Standing. The Company has been duly incorporated and is a valid and subsisting corporation under the laws of Canada with full corporate power and authority to own or lease, as the case may be, and to operate its properties and conduct its business as described in the Disclosure Package and the Final Prospectus, and is duly qualified or registered to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified, registered or be in good standing would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect;

The Company and its subsidiaries maintain “internal control over financial reporting” (as such term is defined in Rule 13a-15(f) under the Exchange Act); such internal control over financial reporting and procedures is effective and the Company and its subsidiaries are not aware of any material weakness in their internal control over financial reporting; the Company and its subsidiaries maintain “disclosure controls and procedures” (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are effective; and there is and has been no failure on the part of the Company and to the Company’s knowledge any of the Company’s directors or officers, in their capacities as such, to comply with applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 relating to loans and Section 302 and 906 relating to certifications.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto the principal amount of the Securities set forth opposite such Underwriter’s name in Schedule II hereto.

3. Delivery and Payment.

(a) Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than three Business Days after the foregoing date as the Representatives and the Company shall mutually agree, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 10 hereof (such date and time of delivery and payment for the Securities being herein called the “**Closing Date**”). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct.

(b) As compensation for the services rendered by the Underwriters to the Company in respect of the issuance and sale of the Securities, the Company on the Closing Date will pay to the Representatives for the respective accounts of the several Underwriters the commission specified in Schedule I hereto.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus. In order to comply with certain exemptions from the prospectus requirements of the Securities Act (Alberta), the Underwriters hereby agree that they shall not directly or indirectly offer to sell or resell, or sell or resell, any Securities to residents of Canada.

5. Agreements. The Company agrees with the several Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment or supplement to the Registration Statement or Basic Prospectus (including the Final Prospectus or any Preliminary Prospectus Supplement) unless the Company has furnished a copy to the Representatives for their review prior to filing and will not file any such proposed amendment or supplement to which the Representatives reasonably object. Subject to the foregoing sentence, the Company will prepare the Final Prospectus setting forth the principal amount of Securities covered thereby, the terms not otherwise specified in the Basic Prospectus pursuant to which the Securities are being issued, the names of the Underwriters participating in the offering and the principal amount of Securities which each severally has agreed to purchase, the names of the Underwriters acting as co-managers in connection with the offering, the price at which the Securities are to be purchased by the Underwriters from the Company, the initial public offering price, the selling concession and reallowance, if any, in a form approved by the Representatives and shall file such Final Prospectus with the Commission within the time periods specified by Rule 424(b) under the Act. The Company will promptly file all reports and other documents required to be filed by it with the Alberta Securities Commission pursuant to Alberta Securities Laws, and the Commission pursuant to Section 13(a), 13(c) or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act) in connection with the offering or sale of the Securities, and during such same period will advise the Representatives, promptly after it receives notice thereof, (1) when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Basic Prospectus or any amended Final Prospectus has been filed with the Commission, (2) of the issuance by the Alberta Securities Commission or the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities, (3) of the suspension of the qualification of such Securities for offering or sale in any jurisdiction, (4) of the initiation or threatening, to the knowledge of the Company, of any proceeding for any such purpose, or (5) of any request by the Commission for the amending or supplementing of the Registration Statement, the Final Prospectus or for additional information relating to the Securities; and the Company will use its commercially reasonable best efforts to prevent the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Securities or the suspension of any such qualification and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or suspending any such qualification, to use its commercially reasonable best efforts to obtain the withdrawal of such order as soon as possible;

(b) Notwithstanding the provisions of paragraph (a) above, if, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), any event occurs of which the Company becomes aware and as a result of which the Final Prospectus, as then supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Final Prospectus to comply with the Act or the Exchange Act, or the respective rules thereunder, the Company will (i) promptly notify the Representatives of such event, (ii) promptly prepare and file with the Commission an amendment or supplement which will correct such statement or omission or effect such compliance, and (iii) expeditiously supply any supplemented Final Prospectus to the Representatives in such quantities as they may reasonably request;

(c) As soon as practicable but not later than 18 months after the date of the effectiveness of the Registration Statement, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act;

(d) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), as many copies of each Preliminary Prospectus Supplement, Issuer Free Writing Prospectus, Final Prospectus and any supplement thereto as the Representatives may reasonably request.

(e) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of the states of the United States and such other jurisdictions as the Representatives, after consultation with and approval from the Company, may designate, will maintain such qualifications in effect so long as required for the distribution of the Securities and will pay any fee of the Financial Industry Regulatory Authority, Inc., in connection with its review of the offering; provided that in no event shall the Company or any Subsidiary Guarantor be obligated to qualify to do business or become subject to taxation in any jurisdiction where it is not now so qualified or so subject or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject;

(f) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of or hedge, directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, any U.S. dollar debt securities which are substantially similar to the Securities issued or guaranteed by the Company (other than the Securities) or publicly announce an intention to effect any such transaction until the Business Day set forth in Schedule I hereto;

(g) The Company will use the net proceeds received by it from the sale of any Securities in the manner specified in the Disclosure Package and the Final Prospectus under the caption “**Use of Proceeds**”;

(g.1) The Company will prepare a final term sheet containing a description of the Securities in the form set forth in Annex G hereto and will file such term sheet pursuant to Rule 433(d) under the Act within the time required by such rule (the “**Final Term Sheet**”);

(h) In connection with each offering of Securities, the Company will take such steps as it deems necessary to ascertain promptly whether the Final Prospectus prepared in connection with such offering and transmitted for filing pursuant to Rule 424(b) under the Act was received for filing by the Commission, and, in the event that such prospectus was not received for filing, it will promptly file such prospectus not then received for filing;

(i) During the period in which the Underwriters are distributing the Securities, the Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities;

(j) The Company represents that it has not made, and agrees that, unless it obtains the prior written consent of the Representatives, it will not make, any offer relating to the Securities that constitutes or would constitute an Issuer Free Writing Prospectus or that otherwise constitutes or would constitute a “free writing prospectus” (as defined in Rule 405 of the Securities Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Securities Act; provided that the prior written consent of the Representatives shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto. Any such free writing prospectus consented to by the Representatives is hereinafter referred to as a “**Permitted Free Writing Prospectus**”. The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. The Company consents to the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Securities Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet.

6. Expenses. The Company and each of the Subsidiary Guarantors will pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company’s counsel and the Company’s accountants in connection with the registration and delivery of the Securities under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, the Basic Prospectus, the Final Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, and all printing costs associated therewith, (ii) all costs and expenses related to the transfer and delivery of the Securities to the Underwriters, (iii) any fees charged by the rating agencies for the rating of the Securities, (iv) the cost of the preparation, issuance and delivery of the Securities, (v) the costs and charges of any trustee, transfer agent, registrar or depository and (vi) all other costs and expenses incident to the performance of the obligations of the Company and the Subsidiary Guarantors hereunder for which provision is not otherwise made in this Section. It is understood, however, that, except as provided in this Agreement, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, and transfer taxes on resales of any of the Securities by them.

7. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company and each Subsidiary Guarantor contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company and each Subsidiary Guarantor made in any certificates pursuant to the provisions of this Section, to the performance by the Company and each Subsidiary Guarantor of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing and in accordance with Section 5(a) hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no order preventing or suspending the use of any prospectus relating to the Securities shall have been issued and no proceeding for any such purpose shall have been initiated or threatened by the Alberta Securities Commission or the Commission;

(b) The Company shall have requested and caused Sullivan & Cromwell LLP, U.S. counsel for the Company, to have furnished to the Representatives their opinion and letter, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex B;

(c) The Company shall have requested and caused McCarthy Tétrault LLP, Canadian counsel for the Company, to have furnished to the Representatives their opinion, dated the Closing Date and addressed to the Representatives, with respect to the laws of the Province of Alberta and the federal laws of Canada applicable therein, substantially in the form attached hereto as Annex C.

(d) The Representatives shall have received from Baker Botts L.L.P., U.S. counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(e) The Representatives shall have received from Osler, Hoskin & Harcourt LLP, Canadian counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(f) The Representatives shall have received from the Vice President & Corporate Secretary of the Company a certificate, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex D.

(g) The Representatives shall have received from Norton Rose Fulbright US LLP, U.S. regulatory counsel to the Company, dated the Closing Date an opinion substantially in the form attached hereto as Annex E.

(h) The Company shall have furnished to the Representatives a certificate of the Company, signed by two of its senior officers, dated the Closing Date to the effect that the signers of such certificate have reviewed the Registration Statement, the Disclosure Package, the Final Prospectus, any supplements to the Final Prospectus, and this Agreement, and to the best knowledge of such signers, after due investigation:

- i. the representations and warranties of the Company and the Subsidiary Guarantors in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;
- ii. no stop order suspending the effectiveness of the Registration Statement or stop order preventing or suspending the use of any prospectus relating to the Securities has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened by the Alberta Securities Commission or the Commission; and
- iii. since the date of the most recent financial statements included or incorporated by reference in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(i) The Representatives shall have received from PricewaterhouseCoopers LLP, the Company's independent auditor, a letter or letters dated at the Execution Time and at the Closing Date, in form and substance reasonably satisfactory to the Representatives, together with signed or reproduced copies of such letter or letters for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the Disclosure Package and the Final Prospectus;

(j) [Reserved.]

(k) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereto) and the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (i) of this Section 7 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereto), the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(l) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company's debt securities by Standard & Poor's Rating Services, Moody's Investor Services or Dominion Bond Rating Service Limited and no such rating service shall have publicly announced or otherwise informed the Company that it has under surveillance or review, with possible negative implications, its rating or outlook of the Company or any of the Company's debt securities or preferred stock; and

(m) Prior to the Closing Date, the Company and each Subsidiary Guarantor shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request and as is customary in offerings of securities similar to the Securities.

If any of the conditions specified in this Section 7 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives upon notice of cancellation to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 7 shall be delivered at the office of Sullivan & Cromwell LLP, Attention: Robert Buckholz, 125 Broad Street, New York, New York 10004 on the Closing Date (or such other date as provided in this Section 7) or such other place as the Representatives shall so instruct.

8. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 7 hereof is not satisfied or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters (but excluding any termination pursuant to Section 11 hereof), the Company will reimburse the Underwriters severally through the Representatives on demand for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

9. Indemnification and Contribution.

(a) The Company and each Subsidiary Guarantor, jointly and severally, agree to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed, any Preliminary Prospectus Supplement, the Final Prospectus or any Issuer Free Writing Prospectus, or in all cases any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and the Subsidiary Guarantors will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company and the Subsidiary Guarantors may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each Subsidiary Guarantor, each of their directors, each of their officers who signs the Registration Statement, and each person who controls the Company or a Subsidiary Guarantor within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and each Subsidiary Guarantor to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth in (a) the last paragraph of the cover page regarding delivery of the Securities, (b) under the heading “The Offering”, the third sentence in the right column adjacent to “Lack of Public Market for the Notes”, (c) the second sentence within the risk factor “We cannot provide assurance that an active trading market will develop for the Notes” and (d) under the heading “Underwriting”, (i) the names listed in the table following the first paragraph of the text, (ii) the third paragraph of text concerning concessions, (iii) the fourth and fifth paragraphs of text concerning price stabilization, short positions and penalty bids, (iv) the third and fourth sentences in the sixth paragraph of text concerning market making by the Underwriters, and (v) the fifteenth paragraph of text concerning electronic prospectuses, in any Preliminary Prospectus Supplement and the Final Prospectus, as applicable, constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus Supplement or the Final Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action, or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company, the Subsidiary Guarantors and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively “**Losses**”) to which the Company, the Subsidiary Guarantors and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company, the Subsidiary Guarantors and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Subsidiary Guarantors and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company or a Subsidiary Guarantor who shall have signed the Registration Statement and each director of the Company or a Subsidiary Guarantor shall have the same rights to contribution as the Company and the Subsidiary Guarantors, subject in each case to the applicable terms and conditions of this paragraph (d).

10. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall not exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the non-defaulting Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the non-defaulting Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, and arrangements satisfactory to the Representatives and the Company for the purchase of such Securities by one or more of the non-defaulting Underwriters or other party or parties approved by the Representatives and the Company are not made within 36 hours after such default, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 10, the Closing Date shall be postponed for such period, not exceeding seven Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement, the Disclosure Package and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages occasioned by its default hereunder.

11. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time, (i) trading of the Company's common stock shall have been suspended by the Commission or the New York Stock Exchange or the Toronto Stock Exchange or trading in securities generally on the New York Stock Exchange or the Toronto Stock Exchange shall have been suspended or limited or minimum prices shall have been established on any of such Exchanges, (ii) a banking moratorium shall have been declared either by authorities in the United States, Canada or New York State, (iii) a change or development involving a prospective change in Canadian taxation affecting the Securities or the transfer thereof or the imposition of exchange controls by the United States or Canada, or (iv) there shall have occurred any outbreak or escalation of hostilities involving Canada or the United States, declaration by the United States or Canada of a national emergency or war, or other calamity or crisis, the effect of which on financial markets in the United States or Canada is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Disclosure Package and the Final Prospectus.

11.1 No Advisory or Fiduciary Responsibility. The Company and each Subsidiary Guarantor acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company and each Subsidiary Guarantor, on the one hand, and the several Underwriters, on the other hand, and the Company and each Subsidiary Guarantor is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with the offer and sale of the Securities as contemplated hereby and the process leading to such offer and sale, each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company or any Subsidiary Guarantor with respect to the offer and sale of the Securities as contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company or any Subsidiary Guarantor with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Subsidiary Guarantors and that the several Underwriters have no obligation to disclose to the Company or the Subsidiary Guarantors any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and each Subsidiary Guarantor has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Subsidiary Guarantors and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company and each Subsidiary Guarantor hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

11.2 Agreement of the Underwriters. Each Underwriter represents that it has not made, and agrees that, unless it obtains the prior written consent of the Company, it will not make, any offer relating to the Securities that constitutes or would constitute a "free writing prospectus" (as defined in Rule 405 of the Securities Act) required to be filed with the Commission or retained under Rule 433 of the Securities Act; provided that the prior written consent of the Company shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto and in respect of the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Securities Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet. Any such free writing prospectus consented to by the Company is hereinafter referred to as an "Underwriter Permitted Free Writing Prospectus". The Underwriters agree that they have complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Underwriter Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

12. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company, the Subsidiary Guarantors or their respective officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company, the Subsidiary Guarantors or any of the officers, directors, employees, agents or controlling persons referred to in Section 9 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 8 and 9 hereof shall survive the termination or cancellation of this Agreement.

15. Submission to Jurisdiction; Agent for Service; Waiver of Immunities. The Company and each Subsidiary Guarantor irrevocably (i) agrees that any legal suit, action or proceeding against the Company brought by any Underwriter or by any person who controls any Underwriter arising out of or based upon this Agreement or the transactions contemplated thereby may be instituted in any federal or state court in the State of New York, Borough of Manhattan (each such court, a “**New York Court**”), (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding and (iii) submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. The Company will promptly appoint CT Corporation System, 28 Liberty Street, New York, New York 10005, as its authorized agent (the “**Authorized Agent**”) upon whom process may be served in any such action arising out of or based on this Agreement or the transactions contemplated thereby which may be instituted in any New York Court by any Underwriter or by any person who controls any Underwriter, expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. The Company represents and warrants that the Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company shall be deemed, in every respect, effective service of process upon the Company.

To the extent that the Company has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, it hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law.

The provisions of this Section 15 shall survive any termination of this Agreement, in whole or in part.

16. Judgment Currency. The obligation of the Company in respect of any sum due to any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first Business Day following receipt by such Underwriter of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to such Underwriter hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter hereunder, such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter hereunder.

17. Applicable Law; Jury Waiver. This Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York. The Company, each of the Subsidiary Guarantors and each of the Underwriters hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Terms of US\$500,000,000 Floating Rate Senior Notes due 2023

Capitalized terms used but not defined herein shall have the meanings given to such terms in the Indenture.

- (1) **Title of Securities:** “Floating Rate Senior Notes due 2023” (the “Notes”).
- (2) **Total Aggregate Principal Amount of Notes to be initially issued and sold to the Underwriters for Resale to the Public:** US\$500,000,000. The Company may, at any time, and from time to time, issue additional Notes under the Indenture in unlimited amounts having the same terms as the Notes, and such additional Notes will, together with the then existing Notes and any notes which may be issued in exchange or substitution therefor, constitute a single series of notes under the Indenture.
- (3) **Guarantees:** In accordance with Section 1401 of the Indenture, the Notes are guaranteed by both Guarantors.
- (4) **Maturity Date:** February 17, 2023 (the “Maturity Date”).
- (5) **Interest:** The Notes will bear interest at a rate equal to Compounded SOFR (as defined below) plus 0.40% per annum (40 basis points) (the “Margin”); *provided*, that the rate shall not be less than 0.00%.

(a) If any Interest Payment Date would otherwise be a day that is not a Business Day (as defined below) (other than the Interest Payment Date that is also the Maturity Date), the Interest Payment Date will be postponed to the immediately succeeding day that is a Business Day, except that if that Business Day is in the immediately succeeding calendar month, the Interest Payment Date shall be the immediately preceding Business Day. If the Maturity Date or a Redemption Date (as defined below) is not a Business Day, payment of principal and interest will be made on the next succeeding Business Day, and no interest will accrue for the period from and after the Maturity Date or such Redemption Date. If the Notes are redeemed, unless the Company defaults on payment of the Redemption Price, interest will cease to accrue on the Redemption Date on the Notes called for redemption.

(b) Interest on the Notes will accrue from February 19, 2021.

(c) The Notes will bear interest at a rate of Compounded SOFR for the applicable Interest Period or Initial Interest Period (each as defined below) plus the Margin; The “Initial Interest Period” will be the period from and including the original issue date to but excluding the initial Interest Payment Date. Thereafter, each “Interest Period” will be the period from and including an Interest Payment Date to but excluding the immediately succeeding Interest Payment Date; provided, that the final Interest Period for the Notes will be the period from and including the Interest Payment Date immediately preceding the Maturity Date of such Notes to but excluding the Maturity Date.

(d) The amount of interest accrued and payable on the Notes for each Interest Period will be equal to the product of (i) the outstanding principal amount of the Notes multiplied by (ii) the product of (1) the Interest Rate for the relevant Interest Period multiplied by (2) the quotient of the actual number of days in such Interest Period divided by 360.

(e) Compounded SOFR

(i) The Trustee or its successor appointed by the Company, will act as calculation agent (the “Calculation Agent”). “Compounded SOFR” will be determined by the Calculation Agent in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, e.g., 9.753973% (or .09753973) being rounded down to 9.75397% (or .0975397) and 9.753978% (or .09753978) being rounded up to 9.75398% (or .0975398)):

$$\left[ \prod_{i=1}^{d_0} \left( 1 + \frac{SOFR_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

where:

“ $d_0$ ” for any Observation Period, is the number of U.S. Government Securities Business Days in the relevant Observation Period;

“ $i$ ” is a series of whole numbers from one to  $d_0$ , each representing the relevant U.S. Government Securities Business Day in chronological order from, and including, the first U.S. Government Securities Business Day in the relevant Observation Period;

“ $SOFR_i$ ,” for any U.S. Government Securities Business Day “ $i$ ” in the relevant Observation Period, is equal to SOFR in respect of that day “ $i$ ”;

“ $n_i$ ,” for any U.S. Government Securities Business Day “ $i$ ” in the relevant Observation Period, is the number of calendar days from, and including, such U.S. Government Securities Business Day “ $i$ ” to, but excluding, the following U.S. Government Securities Business Day (“ $i+1$ ”);

“ $d$ ” is the number of calendar days in the relevant Observation Period;

“Observation Period” is (i) in respect of each Interest Period, the period from, and including, the date that is two U.S. Government Securities Business Days preceding the first date in such Interest Period to, but excluding, the Interest Payment Determination Date for such Interest Period and (ii) in respect of the payment of any interest in connection with any redemption of the Notes, the period from, and including, the date that is two U.S. Government Securities Business Days preceding the first date in the Interest Period in which such redemption occurs to, but excluding, the date that is two U.S. Government Securities Business Days before such redemption;

“U.S. Government Securities Business Day” is any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities; and

“Interest Payment Determination Date” is the date that is two U.S. Government Securities Business Days before each Interest Payment Date.

(ii) For the calculations set forth herein, the daily SOFR in effect on any U.S. Government Securities Business Day will be the applicable SOFR as reset on that date.

(iii) For purposes of determining Compounded SOFR, “SOFR” means, with respect to any U.S. Government Securities Business Day:

(1) the Secured Overnight Financing Rate published for such U.S. Government Securities Business Day as such rate appears on the Federal Reserve Bank of New York’s Website at 3:00 p.m. (New York time) on the immediately following U.S. Government Securities Business Day (the “SOFR Determination Time”); or

(2) if the rate specified in (1) above does not so appear, unless both a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the Secured Overnight Financing Rate as published in respect of the first preceding U.S. Government Securities Business Day for which the Secured Overnight Financing Rate was published on the Federal Reserve Bank of New York’s Website.

(iv) Notwithstanding anything to the contrary herein or in the Notes, if the Company or its designee (which may be the Calculation Agent only if the Calculation Agent consents to such appointment in its sole discretion with no liability therefor, a successor calculation agent, or such other designee of the Company acting as its agent as described in these benchmark transition provisions (any of such entities, a “Designee”)) determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date (each as defined below) have occurred with respect to determining Compounded SOFR, then the benchmark replacement provisions set forth in Section 5(f), below, will thereafter apply to all determinations of the rate of interest payable on the Notes.

(v) For the avoidance of doubt, in accordance with the benchmark replacement provisions, after a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the interest payable for each Interest Period on the Notes will be an annual rate equal to the sum of the Benchmark Replacement (as defined below) and the applicable margin.

(f) Effect of Benchmark Transition Event.

(i) Benchmark Replacement. If the Company or its Designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Company or its Designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

(iii) Decisions and Determinations. Any determination, decision or election that may be made by the Company or its Designee pursuant to the benchmark replacement provisions described in this Section 5(f), including any determination with respect to tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection:

(1) will be conclusive and binding absent manifest error;

(2) if made by the Company, will be made in its sole discretion;

(3) if made by the Company's Designee, will be made after consultation with the Company, and the Designee will not make any such determination, decision or election to which the Company objects; and

(4) shall become effective without consent from any other party.

(j) For purposes of this Section 5, the following defined terms apply:

"Benchmark" means, initially, Compounded SOFR, as defined above; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Compounded SOFR (or the published daily SOFR used in the calculation thereof) or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement.

“Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Company or its Designee as of the Benchmark Replacement Date:

(i) the sum of: (1) an alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (2) the Benchmark Replacement Adjustment;

(ii) the sum of: (1) the ISDA Fallback Rate and (2) the Benchmark Replacement Adjustment; and

(iii) the sum of: (1) the alternate rate of interest that has been selected by the Company or its Designee as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar denominated floating rate notes at such time and (2) the Benchmark Replacement Adjustment.

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Company or its Designee as of the Benchmark Replacement Date:

(i) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

(ii) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; and

(iii) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Company or its Designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate notes at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definitions or interpretations of Interest Period, the timing and frequency of determining rates and making payments of interest, the rounding of amounts or tenors, and other administrative matters) that the Company or its Designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Company or its Designee decides that adoption of any portion of such market practice is not administratively feasible or if the Company or its Designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Company or its Designee determines is reasonably practicable).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark:

(i) in the case of clause (i) or (ii) of the definition of “Benchmark Transition Event,” the later of (x) the date of the public statement or publication of information referenced therein and (y) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or

(ii) in the case of clause (iii) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(i) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that such administrator has ceased or will cease to provide the Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(ii) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or

(iii) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark.

“Federal Reserve Bank of New York’s Website” means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor source.

“ISDA Definitions” means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time.

“ISDA Fallback Adjustment” means the spread adjustment, (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“Reference Time” with respect to any determination of the Benchmark means (1) if the Benchmark is Compounded SOFR, the SOFR Determination Time, and (2) if the Benchmark is not Compounded SOFR, the time determined by the Company or its Designee in accordance with the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under the Notes not dealing at arm's length with the Company (within the meaning of the *Income Tax Act* (Canada)), (ii) being a "specified shareholder" (as defined in subsection 18(5) of the *Income Tax Act* (Canada)) of the Company, or (iii) not dealing at arm's length (for the purposes of the *Income Tax Act* (Canada)) with such a "specified shareholder";

The Company will furnish to the Holders of the Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

Floating Rate Senior Notes  
due 2023

This Security is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, between the Company and the Trustee, and as further amended and supplemented by the Sixth Supplemental Indenture, dated as of May 13, 2019, among the Company, Spectra Energy Partners, LP (“SEP”), Enbridge Energy Partners, L.P. (“EEP” and, together with SEP, the “Guarantors”) and the Trustee (herein called the “Indenture,” which term shall have the meaning assigned to it in such instrument), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated as the Floating Rate Senior Notes due 2023 of the Company, issued in initial aggregate principal amount of \$500,000,000.

If any Interest Payment Date would otherwise be a day that is not a Business Day (as defined below) (other than the Interest Payment Date that is also the Maturity Date), the Interest Payment Date will be postponed to the immediately succeeding day that is a Business Day, except that if that Business Day is in the immediately succeeding calendar month, the Interest Payment Date shall be the immediately preceding Business Day. If the Maturity Date or a Redemption Date (as defined below) is not a Business Day, payment of principal and interest will be made on the next succeeding Business Day, and no interest will accrue for the period from and after the Maturity Date or such Redemption Date.

Interest on the Notes will accrue from February 19, 2021.

The Notes will bear interest at a rate of Compounded SOFR for the applicable Interest Period or Initial Interest Period (each as defined below) plus 0.40% per annum (40 basis points) (the “Margin”); provided that the rate shall not be less than 0.00%. The “Initial Interest Period” will be the period from and including the original issue date to but excluding the initial Interest Payment Date. Thereafter, each “Interest Period” will be the period from and including an Interest Payment Date to but excluding the immediately succeeding Interest Payment Date; provided, that the final Interest Period for the Notes will be the period from and including the Interest Payment Date immediately preceding the Maturity Date of such Notes to but excluding the Maturity Date.

The amount of interest accrued and payable on the Notes for each Interest Period will be equal to the product of (i) the outstanding principal amount of the Notes multiplied by (ii) the product of (a) the Interest Rate for the relevant Interest Period multiplied by (b) the quotient of the actual number of days in such Interest Period divided by 360.

---

The Trustee or its successor appointed by the Company, will act as calculation agent (the “Calculation Agent”). “Compounded SOFR” will be determined by the Calculation Agent in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, e.g., 9.753973% (or .09753973) being rounded down to 9.75397% (or .0975397) and 9.753978% (or .09753978) being rounded up to 9.75398% (or .0975398)):

$$\left[ \prod_{i=1}^{d_0} \left( 1 + \frac{SOFR_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

where:

“ $d_0$ ” for any Observation Period, is the number of U.S. Government Securities Business Days in the relevant Observation Period;

“ $i$ ” is a series of whole numbers from one to  $d_0$ , each representing the relevant U.S. Government Securities Business Day in chronological order from, and including, the first U.S. Government Securities Business Day in the relevant Observation Period;

“ $SOFR_i$ ,” for any U.S. Government Securities Business Day “ $i$ ” in the relevant Observation Period, is equal to SOFR in respect of that day “ $i$ ”;

“ $n_i$ ,” for any U.S. Government Securities Business Day “ $i$ ” in the relevant Observation Period, is the number of calendar days from, and including, such U.S. Government Securities Business Day “ $i$ ” to, but excluding, the following U.S. Government Securities Business Day (“ $i+1$ ”);

“ $d$ ” is the number of calendar days in the relevant Observation Period;

“Observation Period” is (i) in respect of each Interest Period, the period from, and including, the date that is two U.S. Government Securities Business Days preceding the first date in such Interest Period to, but excluding, the Interest Payment Determination Date for such Interest Period and (ii) in respect of the payment of any interest in connection with any redemption of the Notes, the period from, and including, the date that is two U.S. Government Securities Business Days preceding the first date in the Interest Period in which such redemption occurs to, but excluding, the date that is two U.S. Government Securities Business Days before such redemption;

“U.S. Government Securities Business Day” is any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities; and

---

“Interest Payment Determination Date” is the date that is two U.S. Government Securities Business Days before each Interest Payment Date.

For the calculations set forth herein, the daily SOFR in effect on any U.S. Government Securities Business Day will be the applicable SOFR as reset on that date.

For purposes of determining Compounded SOFR, “SOFR” means, with respect to any U.S. Government Securities Business Day:

(a) the Secured Overnight Financing Rate published for such U.S. Government Securities Business Day as such rate appears on the Federal Reserve Bank of New York’s Website at 3:00 p.m. (New York time) on the immediately following U.S. Government Securities Business Day (the “SOFR Determination Time”); or

(b) if the rate specified in (a) above does not so appear, unless both a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the Secured Overnight Financing Rate as published in respect of the first preceding U.S. Government Securities Business Day for which the Secured Overnight Financing Rate was published on the Federal Reserve Bank of New York’s Website.

Notwithstanding anything to the contrary herein, if the Company or its designee (which may be the Calculation Agent only if the Calculation Agent consents to such appointment in its sole discretion with no liability therefor, a successor calculation agent, or such other designee of the Company acting as its agent as described in these benchmark transition provisions (any of such entities, a “Designee”)) determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date (each as defined below) have occurred with respect to determining Compounded SOFR, then the benchmark replacement provisions set forth below, will thereafter apply to all determinations of the rate of interest payable on the Notes.

For the avoidance of doubt, in accordance with the benchmark replacement provisions, after a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the interest payable for each Interest Period on the Notes will be an annual rate equal to the sum of the Benchmark Replacement (as defined below) and the applicable margin.

#### Effect of Benchmark Transition Event

(a) **Benchmark Replacement.** If the Company or its Designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(b) **Benchmark Replacement Conforming Changes.** . In connection with the implementation of a Benchmark Replacement, the Company or its Designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

---

(c) Decisions and Determinations. Any determination, decision or election that may be made by the Company or its Designee pursuant to the benchmark replacement provisions described herein, including any determination with respect to tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection:

(1) will be conclusive and binding absent manifest error;

(2) if made by the Company, will be made in our its sole discretion;

(3) if made by our the Company's Designee, will be made after consultation with the Company, and the Designee will not make any such determination, decision or election to which we the Company objects; and

(4) shall become effective without consent from any other party.

"Benchmark" means, initially, Compounded SOFR, as defined above; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Compounded SOFR (or the published daily SOFR used in the calculation thereof) or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Company or its Designee as of the Benchmark Replacement Date:

(1) the sum of: (a) an alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;

(2) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; and

(3) the sum of: (a) the alternate rate of interest that has been selected by the Company or its Designee as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Company or its Designee as of the Benchmark Replacement Date:

(1) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

---

(2) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; and

(3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Company or its Designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate notes at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definitions or interpretations of Interest Period, the timing and frequency of determining rates and making payments of interest, the rounding of amounts or tenors, and other administrative matters) that the Company or its Designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Company or its Designee decides that adoption of any portion of such market practice is not administratively feasible or if the Company or its Designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Company or its Designee determines is reasonably practicable).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (x) the date of the public statement or publication of information referenced therein and (y) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“Reference Time” with respect to any determination of the Benchmark means (1) if the Benchmark is Compounded SOFR, the SOFR Determination Time, and (2) if the Benchmark is not Compounded SOFR, the time determined by the Company or its Designee in accordance with the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of a Note who is a non-resident of Canada under the *Income Tax Act* (Canada) such additional amounts as may be necessary so that every net payment on such Note, after deduction or withholding by the Company or of any Paying Agent for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) (collectively, “Canadian Taxes”) upon or as a result of such payment, will not be less than the amount provided in the Notes to be then due and payable (and the Company shall remit the full amount withheld to the relevant authority in accordance with applicable law); *provided, however*, that the Company will not be required to make any payment of additional amounts:

- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under the Notes not dealing at arm’s length with the Company (within the meaning of the *Income Tax Act* (Canada)), (ii) being a “specified shareholder” (as defined in subsection 18(15) of the *Income Tax Act* (Canada)) of the Company, or (iii) not dealing at arm’s length (for the purposes of the *Income Tax Act* (Canada)) with such a “specified shareholder”;
  - (b) to any person by reason of such person being connected with Canada (otherwise than merely by holding or ownership of a Note or receiving any payments or exercising any rights thereunder), including without limitation a non-resident insurer who carries on an insurance business in Canada and in a country other than Canada;
  - (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the Holder of a Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the Holder’s failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
  - (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
  - (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment to a person on a Note if such payment can be made to such person without such withholding by at least one other Paying Agent the identity of which is provided to such person;
  - (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on a Note;
-

- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (“FATCA”), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Corporation or the Guarantors and the United States or any authority thereof implementing FATCA; or
- (h) for any combination of items (a), (b), (c), (d), (e), (f) and (g);

nor will additional amounts be paid with respect to any payment on a Note to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

The Company will furnish to the Holders of the Notes by mail, within 30 days after the date of the payment of any Canadian Taxes is due under applicable law, certified copies of tax receipts or other documents evidencing such payment.

Wherever in this Note or the Indenture there is mentioned, in any context, the payment of principal (and premium, if any), interest or any other amount payable under or with respect to the Notes, such mention shall be deemed to include mention of the payment of additional amounts to the extent that, in such context additional amounts are, were or would be payable in respect thereof.

The Company may, at any time, and from time to time, issue additional Notes under the Indenture in unlimited amounts having the same terms as this Note, and such additional Notes will, together with this Note and any Notes which may be issued in exchange or substitution herefor, constitute a single series of Notes under the Indenture.

The Notes of this series will be subject to redemption at any time at a Redemption Price equal to the principal amount of the Notes, together with accrued and unpaid interest to the Redemption Date, upon the giving of notice by first-class mail at least 10 days, but not more than 60 days, before the Redemption Date to each Holder of the Notes to be redeemed, if the Company (or its successor) determines that (1) as a result of (A) any amendment to or change (including any announced prospective change) in the laws or related regulations of Canada (or the Company’s successor’s jurisdiction of organization) or of any applicable political subdivision or taxing authority or (B) any amendment to or change in an interpretation or application of such laws or regulations by any legislative body, court, governmental agency or regulatory authority announced or becoming effective on or after February 16, 2021, the Company has or will become obligated to pay, on the next Interest Payment Date for the Notes, additional amounts with respect to any Notes of the series as described above, or (2) on or after February 16, 2021, any action has been taken by any taxing authority of, or any decision has been rendered by a court in, Canada (or the Company’s successor’s jurisdiction of organization) or any applicable political subdivision or taxing authority, including any of those actions specified in (1) above, whether or not the action was taken or decision rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in the opinion of the Company’s counsel, will result in the Company becoming obligated to pay, on the next Interest Payment Date, additional amounts with respect to any Note of the series, and the Company has determined that the obligation cannot be avoided by the use of reasonable available measures.

---

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time Outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

---

As provided in the Indenture and subject to certain limitations therein set forth, certain obligations of the Company under the Indenture and this Note are guaranteed pursuant to guarantees endorsed hereon as provided in the Indenture. Each Holder, by holding this Note, agrees to all of the terms and provisions of said guarantees. The Indenture provides that either guarantor shall be released from its guarantee upon the occurrence of certain events.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of US\$2,000 and integral multiples of US\$1,000 thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are not defined in this Note and are defined in the Indenture shall have the meanings assigned to them in the Indenture.

In connection with the registration under the Securities Act of 1933 (the “Act”) of US\$500,000,000 aggregate principal amount of Floating Rate Senior Notes due 2023 (the “Debt Securities”) of Enbridge Inc., a corporation organized under the laws of Canada (the “Company”) and guarantees of the Debt Securities (the “Guarantees”) of Enbridge Energy Partners, L.P., a Delaware limited partnership (“EEP”), and Spectra Energy Partners, LP, a Delaware limited partnership (“SEP” and, together with EEP, the “Guarantors”), issued pursuant to the Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as Trustee (the “Trustee”), as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, between the Company and the Trustee, and as further amended and supplemented by the Sixth Supplemental Indenture, dated as of May 13, 2019, among the Company, the Guarantors and the Trustee, we, as your United States counsel, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, it is our opinion that (i) the Debt Securities constitute valid and legally binding obligations of the Company and (ii) the Guarantees constitute valid and legally binding obligations of the Guarantors, subject in the cases of clauses (i) and (ii) above, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

We have relied as to certain factual matters on information obtained from public officials, officers of the Company and the Guarantors and other sources believed by us to be responsible, and we have assumed that the Indenture has been duly authorized, executed and delivered by the Trustee, that the Debt Securities and Guarantees conform to the specimens thereof examined by us, that the Trustee's certificates of authentication of the Debt Securities have been manually signed by one of the Trustee's authorized officers, and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

Dear Sirs and Mesdames:

**Re: Enbridge Inc. (the “Corporation”)  
Issue of US\$500,000,000 Floating Rate Senior Notes due 2023**

We have acted as Canadian counsel to the Corporation, a corporation governed by the *Canada Business Corporations Act*, in connection with the issue and sale by the Corporation of US\$500,000,000 aggregate principal amount of Floating Rate Senior Notes due 2023 (the “**Debt Securities**”), which are being issued pursuant to a trust indenture dated as of February 25, 2005, as amended and supplemented from time to time (the “**Indenture**”), between the Corporation and Deutsche Bank Trust Company Americas (the “**Trustee**”).

We understand that the Corporation has prepared and filed with the Securities and Exchange Commission (the “**SEC**”) a registration statement (File No. 333-231553) on Form S-3 (the “**Registration Statement**”) under the *United States Securities Act of 1933*, as amended, and that the Registration Statement includes the United States Basic Prospectus (which document is referred to as the “**U.S. Basic Prospectus**”). The U.S. Basic Prospectus as supplemented by a prospectus supplement thereto dated February 16, 2021, filed with the SEC is referred to as the “**U.S. Final Prospectus**”. We understand that the Debt Securities will be distributed in the United States pursuant to the U.S. Final Prospectus.

#### Scope of Review

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such public and corporate records, certificates, instruments and other documents, including the Registration Statement, and have considered such questions of law as we have deemed relevant and necessary as a basis for the opinion hereinafter expressed. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies, certified or otherwise.

As to certain matters of fact relevant to the opinion expressed below, we have relied exclusively upon a certificate of an officer of the Corporation dated February 19, 2021.

---

The opinions herein expressed are restricted to the laws of the Province of Alberta and the laws of Canada applicable therein in effect as of the date hereof.

### Opinion

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. The Corporation is validly existing as a corporation under the *Canada Business Corporations Act*.
2. The Indenture has been duly authorized and, to the extent execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, executed and delivered by the Corporation and forms a legal, valid and binding obligation of the Corporation, enforceable against the Corporation in accordance with its terms.
3. The Debt Securities have been duly authorized and, assuming that the Debt Securities have been duly authenticated by the Trustee in the manner described in the Indenture and under New York law, to the extent issuance, execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, issued, executed and delivered by the Corporation.

With respect to the opinions expressed in sections 2 and 3, the enforceability of the Indenture and the Debt Securities may be limited by:

- (a) any applicable bankruptcy, insolvency or other similar laws of general application affecting the enforcement of creditors' rights generally;
  - (b) the qualification that the granting of equitable remedies such as specific performance and injunction are in the discretion of the court having jurisdiction;
  - (c) the equitable or statutory power of the court having jurisdiction to stay proceedings before it and the execution of judgments;
  - (d) the qualification that legal or equitable claims may become barred under laws regarding limitation of actions;
  - (e) the qualification that the *Currency Act* (Canada) precludes a court in Canada from rendering a judgment in a currency other than Canadian dollars; and
  - (f) a court's discretion in:
    - (i) enforcing any provision of any agreement providing that modifications, amendments or waivers of or with respect to any such agreement that are not in writing will not be effective;
    - (ii) enforcing any section of the Indenture that purports to waive or limit rights or defences of a party;
    - (iii) enforcing any provision of the Indenture that purports to sever from such agreement any provision that is found to be void or unenforceable; and
    - (iv) treating as conclusive, final or binding those certificates and determinations of fact which the Indenture states are to be so treated.
-

We hereby consent to the filing of this opinion as an exhibit to the Current Report on Form 8-K, which forms a part of the Registration Statement and to the use of this firm's name under the captions "Material Canadian Income Tax Considerations" and "Validity of Securities" in the U.S. Final Prospectus. In giving the foregoing consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the SEC promulgated thereunder.

Yours very truly,

/s/ "McCarthy Tétrault LLP"
