Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee or other affiliate of the Company or any of its subsidiaries has taken any action on behalf of the Company or any of its subsidiaries, directly or indirectly, that would result in a violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended (the “**FCPA**”), the UK Bribery Act 2010 or the Corruption of Foreign Public Officials Act (Canada), and the rules and regulations promulgated thereunder, including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA; and the Company, its subsidiaries and, to the knowledge of the Company, their affiliates have conducted their businesses in compliance with the FCPA, the UK Bribery Act 2010 and the Corruption of Foreign Public Officials Act (Canada) and the rules and regulations promulgated thereunder;

(v) No Conflicts with Sanctions Laws. None of the Company, any of its subsidiaries or, to the knowledge of the Company, any director, officer, agent, employee or affiliate of the Company or any of its subsidiaries is currently the subject or the target of any sanctions administered or enforced by the U.S. government, including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury, the United Nations Security Council, the European Union, His Majesty’s Treasury, or other relevant sanctions authority (collectively, “**Sanctions**”), and none of the Company, nor any of its subsidiaries, is located or organized in a country or territory that is the subject or target of Sanctions (including, without limitation, Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, the so-called Donetsk People’s Republic, the so-called Luhansk People’s Republic and the non-government controlled areas of the Zaporizhzhia and Kherson Regions of Ukraine) and the Company will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund any activities of or business with any person, or in any country or territory, that, at the time of such funding, is the subject of Sanctions or (ii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions. The Company and each of its subsidiaries have not knowingly engaged in for the past ten years, are not now knowingly engaged in, and will not knowingly engage in, any dealings or transactions with any individual or entity, or in any country or territory, that at the time of the dealing or transaction, is or was the subject or target of Sanctions; and

(w) Accounting and Disclosure Controls. The Company and its subsidiaries maintain “internal control over financial reporting” (as such term is defined in Rule 13a-15(f) under the Exchange Act); such internal control over financial reporting and procedures is effective and the Company and its subsidiaries are not aware of any material weakness in their internal control over financial reporting; the Company and its subsidiaries maintain “disclosure controls and procedures” (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are effective; and there is and has been no failure on the part of the Company and, to the Company’s knowledge, any of the Company’s directors or officers, in their capacities as such, to comply with applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 relating to loans and Sections 302 and 906 relating to certifications.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto, the principal amount of the Securities set forth opposite such Underwriter’s name in Schedule II hereto.

3. Delivery and Payment.

(a) Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than three Business Days after the foregoing date as the Representatives and the Company shall mutually agree, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 10 hereof (such date and time of delivery and payment for the Securities being herein called the “**Closing Date**”). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct.

(b) As compensation for the services rendered by the Underwriters to the Company in respect of the issuance and sale of the Securities, the Company on the Closing Date will pay to the Representatives for the respective accounts of the several Underwriters the discount specified in Schedule I hereto.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus. In order to comply with certain exemptions from the prospectus requirements of the Securities Act (Alberta), the Underwriters hereby agree that they shall not directly or indirectly offer to sell or resell, or sell or resell, any Securities to residents of Canada.

5. Agreements. The Company agrees with the several Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment or supplement to the Registration Statement or Basic Prospectus (including the Final Prospectus or any Preliminary Prospectus Supplement) unless the Company has furnished a copy to the Representatives for their review prior to filing and will not file any such proposed amendment or supplement to which the Representatives reasonably object. Subject to the foregoing sentence, the Company will prepare the Final Prospectus setting forth the principal amount of Securities covered thereby, the terms not otherwise specified in the Basic Prospectus pursuant to which the Securities are being issued, the names of the Underwriters participating in the offering and the principal amount of Securities which each severally has agreed to purchase, the names of the Underwriters acting as co-managers in connection with the offering, the price at which the Securities are to be purchased by the Underwriters from the Company, the initial public offering price, the selling concession and reallowance, if any, in a form approved by the Representatives and shall file such Final Prospectus with the Commission within the time periods specified by Rule 424(b) under the Act. The Company will promptly file all reports and other documents required to be filed by it with the Alberta Securities Commission pursuant to Alberta Securities Laws, and the Commission pursuant to Section 13(a), 13(c) or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act) in connection with the offering or sale of the Securities, and during such same period will advise the Representatives, promptly after it receives notice thereof, (1) when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Basic Prospectus or any amended Final Prospectus has been filed with the Commission, (2) of the issuance by the Alberta Securities Commission or the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities, (3) of the suspension of the qualification of such Securities for offering or sale in any jurisdiction, (4) of the initiation or threatening, to the knowledge of the Company, of any proceeding for any such purpose, or (5) of any request by the Commission for the amending or supplementing of the Registration Statement, the Final Prospectus or for additional information relating to the Securities; and the Company will use its commercially reasonable best efforts to prevent the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Securities or the suspension of any such qualification and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or suspending any such qualification, to use its commercially reasonable best efforts to obtain the withdrawal of such order as soon as possible;

(b) Notwithstanding the provisions of paragraph (a) above, if, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), any event occurs of which the Company becomes aware and as a result of which the Final Prospectus, as then supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Final Prospectus to comply with the Act or the Exchange Act, or the respective rules thereunder, the Company will (i) promptly notify the Representatives of such event, (ii) promptly prepare and file with the Commission an amendment or supplement which will correct such statement or omission or effect such compliance, and (iii) expeditiously supply any supplemented Final Prospectus to the Representatives in such quantities as they may reasonably request;

(c) As soon as practicable but not later than 18 months after the date of the effectiveness of the Registration Statement, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act;

(d) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Act), as many copies of each Preliminary Prospectus Supplement, Issuer Free Writing Prospectus, Final Prospectus and any supplement thereto as the Representatives may reasonably request;

(e) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of the states of the United States and such other jurisdictions as the Representatives, after consultation with and approval from the Company, may designate, will maintain such qualifications in effect so long as required for the distribution of the Securities and will pay any fee of the Financial Industry Regulatory Authority, Inc., in connection with its review of the offering; provided that in no event shall the Company be obligated to qualify to do business or become subject to taxation in any jurisdiction where it is not now so qualified or so subject or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject;

(f) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of or hedge, directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, any U.S. dollar debt securities which are substantially similar to the Securities issued or guaranteed by the Company (other than the Securities) or publicly announce an intention to effect any such transaction until the Business Day set forth in Schedule I hereto;

(g) The Company will use the net proceeds received by it from the sale of any Securities in the manner specified in the Disclosure Package and the Final Prospectus under the caption “**Use of Proceeds**”;

(g.1) The Company will prepare a final term sheet containing a description of the Securities in the form set forth in Annex G hereto and will file such term sheet pursuant to Rule 433(d) under the Act within the time required by such rule (the “**Final Term Sheet**”);

(h) In connection with each offering of Securities, the Company will take such steps as it deems necessary to ascertain promptly whether the Final Prospectus prepared in connection with such offering and transmitted for filing pursuant to Rule 424(b) under the Act was received for filing by the Commission, and, in the event that such prospectus was not received for filing, it will promptly file such prospectus not then received for filing;

(i) During the period in which the Underwriters are distributing the Securities, the Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities;

(j) The Company represents that it has not made, and agrees that, unless it obtains the prior written consent of the Representatives, it will not make, any offer relating to the Securities that constitutes or would constitute an Issuer Free Writing Prospectus or that otherwise constitutes or would constitute a “free writing prospectus” (as defined in Rule 405 of the Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Act; provided that the prior written consent of the Representatives shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto. Any such free writing prospectus consented to by the Representatives is hereinafter referred to as a “**Permitted Free Writing Prospectus**”. The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. The Company consents to the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet.

6. Expenses. The Company will pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company’s counsel and the Company’s accountants in connection with the registration and delivery of the Securities under the Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, the Basic Prospectus, the Final Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, and all printing costs associated therewith, (ii) all costs and expenses related to the transfer and delivery of the Securities to the Underwriters, (iii) any fees charged by the rating agencies for the rating of the Securities, (iv) the cost of the preparation, issuance and delivery of the Securities, (v) the costs and charges of any trustee, transfer agent, registrar or depository and (vi) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. It is understood, however, that, except as provided in this Agreement, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, and transfer taxes on resales of any of the Securities by them.

7. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions of this Section, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing and in accordance with Section 5(a) hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no order preventing or suspending the use of any prospectus relating to the Securities shall have been issued and no proceeding for any such purpose shall have been initiated or threatened by the Alberta Securities Commission or the Commission;

(b) The Company shall have requested and caused Sullivan & Cromwell LLP, U.S. counsel for the Company, to have furnished to the Representatives their opinion and letter, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex B;

(c) The Company shall have requested and caused McCarthy Tétrault LLP, Canadian counsel for the Company, to have furnished to the Representatives their opinion, dated the Closing Date and addressed to the Representatives, with respect to the laws of the Province of Alberta and the federal laws of Canada applicable therein, substantially in the form attached hereto as Annex C.

(d) The Representatives shall have received from Baker Botts L.L.P., U.S. counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(e) The Representatives shall have received from Osler, Hoskin & Harcourt LLP, Canadian counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters;

(f) The Representatives shall have received from the Vice President, Treasury, Risk & Pensions of the Company a certificate, dated the Closing Date and addressed to the Representatives, substantially in the form attached hereto as Annex D.

(g) The Representatives shall have received from Vinson & Elkins LLP, U.S. regulatory counsel to the Company, dated the Closing Date, an opinion substantially in the form attached hereto as Annex E.

(h) The Company shall have furnished to the Representatives a certificate of the Company, signed by either one of its Executive Vice President & Chief Financial Officer or Vice President, Treasury, Risk & Pensions, dated the Closing Date, to the effect that the signer of such certificate has reviewed the Registration Statement, the Disclosure Package, the Final Prospectus, any supplements to the Final Prospectus, and this Agreement, and to the best knowledge of such signer, after due investigation:

- i. the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;
- ii. no stop order suspending the effectiveness of the Registration Statement or stop order preventing or suspending the use of any prospectus relating to the Securities has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened by the Alberta Securities Commission or the Commission; and
- iii. since the date of the most recent financial statements included or incorporated by reference in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(i) The Representatives shall have received from PricewaterhouseCoopers LLP, the Company's independent auditor, a letter or letters dated at the Execution Time and at the Closing Date, in form and substance reasonably satisfactory to the Representatives, together with signed or reproduced copies of such letter or letters for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the Disclosure Package and the Final Prospectus;

(j) [Reserved.]

(k) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereto) and the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (i) of this Section 7 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereto), the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto);

(l) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company's debt securities by S&P Global Ratings, Moody's Investors Service or DBRS Limited and no such rating service shall have publicly announced or otherwise informed the Company that it has under surveillance or review, with possible negative implications, its rating or outlook of the Company or any of the Company's debt securities or preferred stock; and

(m) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request and as is customary in offerings of securities similar to the Securities.

If any of the conditions specified in this Section 7 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives upon notice of cancellation to the Company in writing (including by email) or by telephone or facsimile confirmed in writing (including by email).

The documents required to be delivered by this Section 7 shall be delivered at the office of Sullivan & Cromwell LLP, Attention: Catherine M. Clarkin, 125 Broad Street, New York, New York 10004 on the Closing Date (or such other date as provided in this Section 7) or such other place as the Representatives shall so instruct.

8. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 7 hereof is not satisfied or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters (but excluding any termination pursuant to Section 11 hereof), the Company will reimburse the Underwriters severally through the Representatives on demand for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

9. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed, any Preliminary Prospectus Supplement, the Final Prospectus or any Issuer Free Writing Prospectus, or in all cases any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth in (a) the last paragraph of the cover page regarding delivery of the Securities, (b) under the heading "The Offering", the third and fourth sentences in the right column adjacent to "Lack of Public Market for the Notes", (c) the second sentence within the risk factor "We cannot provide assurance that an active trading market will develop for either series of the Notes" and (d) under the heading "Underwriting", (i) the names listed in the table following the second paragraph of the text, (ii) the fourth paragraph of text concerning concessions, (iii) the fifth and sixth paragraphs of text concerning price stabilization, short positions and penalty bids, (iv) the third and fourth sentences in the seventh paragraph of text concerning market making by the Underwriters, and (v) the sixteenth paragraph of text concerning electronic prospectuses, in any Preliminary Prospectus Supplement and the Final Prospectus, as applicable, constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus Supplement or the Final Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action, or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "**Losses**") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

10. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall not exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the non-defaulting Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the non-defaulting Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, and the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, and arrangements satisfactory to the Representatives and the Company for the purchase of such Securities by one or more of the non-defaulting Underwriters or other party or parties approved by the Representatives and the Company are not made within 36 hours after such default, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 10, the Closing Date shall be postponed for such period, not exceeding seven Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement, the Disclosure Package and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages occasioned by its default hereunder.

11. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time, (i) trading of the Company's common stock shall have been suspended by the Commission or the New York Stock Exchange or the Toronto Stock Exchange or trading in securities generally on the New York Stock Exchange or the Toronto Stock Exchange shall have been suspended or limited or minimum prices shall have been established on any of such Exchanges, (ii) a banking moratorium shall have been declared either by authorities in the United States, Canada or New York State, (iii) a change or development involving a prospective change in Canadian taxation affecting the Securities or the transfer thereof or the imposition of exchange controls by the United States or Canada, or (iv) there shall have occurred any outbreak or escalation of hostilities involving Canada or the United States, declaration by the United States or Canada of a national emergency or war, or other calamity or crisis, the effect of which on financial markets in the United States or Canada is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Disclosure Package and the Final Prospectus.

11.1 No Advisory or Fiduciary Responsibility. The Company acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with the offer and sale of the Securities as contemplated hereby and the process leading to such offer and sale, each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to the offer and sale of the Securities as contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and that the several Underwriters have no obligation to disclose to the Company any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

11.2 Agreement of the Underwriters. Each Underwriter represents that it has not made, and agrees that, unless it obtains the prior written consent of the Company, it will not make, any offer relating to the Securities that constitutes or would constitute a “free writing prospectus” (as defined in Rule 405 of the Act) required to be filed with the Commission or retained under Rule 433 of the Act; provided that the prior written consent of the Company shall be deemed to have been given in respect of the Free Writing Prospectuses identified in Annex G hereto and in respect of the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the Final Term Sheet. Any such free writing prospectus consented to by the Company is hereinafter referred to as an “Underwriter Permitted Free Writing Prospectus”. The Underwriters agree that they have complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Underwriter Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

11.3 [Reserved.]

To the extent that the Company has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, it hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law.

The obligation of the Company in respect of any sum due to any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first Business Day following receipt by such Underwriter of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to such Underwriter hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter hereunder, such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter hereunder.

\*The issuer expects that delivery of the Notes will be made against payment therefor on or about June 27, 2024, which will be the third business day following the date of pricing of the Notes (this settlement cycle being herein referred to as “T+3”). Under Rule 15c6-1 of the U.S. Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in one business day, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes more than one business day prior to the scheduled settlement date will be required, by virtue of the fact that the Notes initially will settle in T+3, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to make such trades should consult their own advisor.

## **ARTICLE 2**

### **THE NOTES**

#### **2.1 No Limitation on Issue**

The aggregate principal amount of the Notes that may be issued and authenticated hereunder shall be unlimited.

#### **2.2 Terms of Notes**

2.2.1 The Notes shall be dated as of the Closing Date, regardless of their actual date of issue, and shall mature on the Maturity Date.

2.2.2 The Notes will bear interest (i) from, and including, the Closing Date to, but not including, the Initial Interest Reset Date at the rate of 7.375% per annum and (ii) from and including the Initial Interest Reset Date, during each Interest Reset Period, at a rate per annum equal to the Five-Year Treasury Rate as of the most recent Reset Interest Determination Date, plus 3.122%, to be reset on each Interest Reset Date. Interest on the Notes will be payable semi-annually in arrears on each Interest Payment Date, commencing on September 15, 2024, subject to deferral as set forth in Article 5. The applicable interest rate for each Interest Reset Period will be determined by the Calculation Agent as of the applicable Reset Interest Determination Date. Subject to Article 5, interest as aforesaid shall be payable after as well as before default, with interest on overdue interest, in like money, at the same rates and on the same dates.

2.2.3 Interest on the Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months and, for any period shorter than six months, on the basis of the actual number of days elapsed per 30-day month. For the purposes of disclosure under the *Interest Act* (Canada), and without affecting the interest payable on the Notes, whenever the interest rate on the Notes is to be calculated on the basis of a period of less than a calendar year, the yearly interest rate equivalent for such interest rate will be the interest rate multiplied by the actual number of days in the relevant calendar year and divided by the number of days used in calculating the specified interest rate.

2.2.4 If any Interest Payment Date falls on a day that is not a Business Day, the payment of interest, principal or premium due on such Interest Payment Date will be postponed until the next Business Day, and no further interest or other sums will accrue in respect of such postponement.

2.2.5 Interest payments will be made to Holders in whose names the Notes are registered at the close of business on March 1 and September 1 (in each case, whether or not a Business Day), as the case may be, immediately preceding the relevant Interest Payment Date.

## 2.3 Form of Notes

2.3.1 The Notes shall be issued only as fully registered Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

2.3.2 The Notes and the certificate of authentication of the Trustee endorsed thereon shall be in the English language and shall be substantially in the form set out in Schedule A hereto, with such appropriate additions, deletions, substitutions and variations as the Trustee may approve and shall bear such distinguishing letters and numbers as the Trustee may approve, such approval of the Trustee to be conclusively evidenced by its authentication of the Notes.

2.3.3 The Notes may be engraved, printed or lithographed, or partly in one form and partly in another, as the Company may determine.

## 2.4 Calculation Agent

2.4.1 Unless all of the outstanding Notes are to be redeemed or have been redeemed as of the Initial Interest Reset Date, the Company shall appoint a Calculation Agent with respect to the Notes prior to the Reset Interest Determination Date preceding the Initial Interest Reset Date.

2.4.2 The Calculation Agent will determine the applicable interest rate for each Interest Reset Period as of the applicable Reset Interest Determination Date. Promptly upon such determination, the Calculation Agent, if other than the Company or an Affiliate of the Company, will notify the Company of the interest rate for the relevant Interest Reset Period and the Company will then promptly notify the Trustee, if other than the Calculation Agent, of such interest rate.

2.4.3 The Calculation Agent's determination of any interest rate, and its calculation of the amount of interest for any Interest Reset Period beginning on or after the Initial Interest Reset Date: (i) will be on file at the Company's principal offices, (ii) will be made available to any Holder upon request, (iii) will be conclusive and binding absent manifest error, (iv) may be made in the Calculation Agent's sole discretion and (v) notwithstanding anything to the contrary in the documentation relating to the Notes, will become effective without consent from any other person or entity.

## 2.5 Additional Amounts

2.5.1 The Company will, subject to the exceptions and limitations set forth below, pay to any Holder of the Notes who is a non-resident of Canada for purposes of the Income Tax Act (Canada) and the regulations thereunder (collectively, the "**Tax Act**") such additional amounts ("**Additional Amounts**") as may be necessary so that every net payment on the Notes held by such Holder of the Notes, after deduction or withholding by the Company or any of its paying agents for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) upon or as a result of such payment, will not be less than the amount provided in those Notes to be then due and payable (and the Company will remit the full amount withheld to the relevant authority in accordance with applicable law). However, the Company will not be required to make any payment of Additional Amounts:

- (a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under those Notes (i) not dealing at arm's length with the Company (within the meaning of the Tax Act), (ii) being a "specified shareholder" (as defined in subsection 18(5) of the Tax Act) of the Company, or (iii) not dealing at arm's length (for the purposes of the Tax Act) with such a "specified shareholder";
- (b) to any person by reason of such person being connected with Canada (otherwise than merely by holding or ownership of those Notes or receiving any payments or exercising any rights thereunder), including without limitation a non-resident insurer who carries on an insurance business in Canada and in a country other than Canada;
- (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the holder of those Notes on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the holder's failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
- (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment to a person on those Notes if such payment can be made to such person without such withholding by at least one other paying agent the identity of which is provided to such person;
- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on those Notes;
- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Company and the United States or any authority thereof implementing FATCA; or
- (h) for any combination of items (a), (b), (c), (d), (e), (f) and (g);

nor will Additional Amounts be paid with respect to any payment on those Notes to a Holder of the Notes who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Notes.

## ARTICLE 3

### REDEMPTION OF THE NOTES

#### 3.1 Redemption of Notes at the Option of the Company

The Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem the Notes, in whole at any time or in part from time to time, (i) on any day in the period commencing on (and including) the date falling three months prior to the Initial Interest Reset Date and ending on (and including) the Initial Interest Reset Date and (ii) after the Initial Interest Reset Date, on any Interest Payment Date, in each case, without the consent of the Holders, at a redemption price per \$1,000 principal amount of the Notes equal to 100% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

#### 3.2 Partial Redemption of Notes

3.2.1 If less than all the Notes are to be redeemed pursuant to Section 3.1, the Company shall, at least 15 days prior to the date that notice of redemption is given, notify the Trustee by Company Order stating the Company's intention to redeem the aggregate principal amount of the Notes to be redeemed. The Notes to be redeemed shall be selected by the Trustee, if the Notes are in Global Form, in accordance with the procedures of DTC and if the Notes are certificated, on a pro rata basis, disregarding fractions, according to the principal amount of the Notes registered in the respective names of each Holder, or in such other manner as the Trustee may consider equitable, provided that such selection shall be proportionate (to the nearest minimum authorized denomination for the Notes established pursuant to Section 2.3).

3.2.2 If the Notes in denominations in excess of the minimum authorized denomination for the Notes are selected and called for redemption in part only (such part being that minimum authorized denomination or an integral multiple thereof) then, unless the context otherwise requires, references to the Notes in this Article 3 shall be deemed to include any such part of the principal amount of the Notes which shall have been so selected and called for redemption. The Holder of any Notes called for redemption in part only, upon surrender of such Notes for payment, shall be entitled to receive, without expense to such Holder, new Notes for the unredeemed part of the Notes so surrendered, and the Company shall execute and the Trustee shall authenticate and deliver, at the expense of the Company, such new Notes having the same terms as are set out herein upon receipt from the Trustee or the Paying Agent of the Notes so surrendered.

### **3.3 Early Redemption upon a Tax Event**

Within 90 days following the occurrence of a Tax Event, the Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem all (but not less than all) of the Notes without the consent of the Holders. The redemption price per \$1,000 principal amount of the Notes shall be equal to 100% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

### **3.4 Early Redemption upon a Rating Event**

Within 90 days following the occurrence of a Rating Event, the Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem all (but not less than all) of the Notes without the consent of the Holders. The redemption price per \$1,000 principal amount of the Notes shall be equal to 102% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

### **3.5 Notice of Redemption**

Notice of any intention to redeem any Notes shall be given by or on behalf of the Company to the Holders of the Notes which are to be redeemed, not more than 60 days and not less than 10 days prior to the date fixed for redemption, in the manner provided in the Indenture. The notice of redemption shall, unless all the Notes then outstanding are to be redeemed, specify the distinguishing letters and numbers of the Notes which are to be redeemed and, if the Notes are to be redeemed in part only, shall specify that part of the principal amount thereof to be redeemed, and shall specify the redemption date, the redemption price and places of payment and shall state that all interest on the Notes called for redemption shall cease from and after such redemption date.

### **3.6 Cancellation of the Notes**

All Notes redeemed under this Article 3 shall forthwith be delivered to the Trustee and shall be cancelled by it and will not be reissued or resold, and except as provided in subsection 3.2.2, no Notes shall be issued in substitution therefor.

## **ARTICLE 4**

## **RESERVED**

## **ARTICLE 5**

## **DEFERRAL RIGHT**

### **5.1 Deferral Right**

So long as no Event of Default has occurred and is continuing, the Company may elect, in its sole discretion, at any date other than an Interest Payment Date, to defer the interest payable on the Notes on one or more occasions for up to five consecutive years (a "**Deferral Period**"). Such deferral will not constitute an Event of Default or any other breach under the Indenture and the Notes. Deferred interest will accrue, compounding on each subsequent Interest Payment Date, until paid. A Deferral Period terminates on any Interest Payment Date where the Company pays all accrued and unpaid interest on such date. No Deferral Period may extend beyond the Maturity Date.

The Company will give the Trustee and the Holders of the Notes written notice of its election to commence or continue a Deferral Period at least 10 and not more than 60 days before the next Interest Payment Date.

## **5.2 No Limit**

There shall be no limit on the number of Deferral Periods that may occur.

## **5.3 Dividend Stopper Undertaking**

- (i) declare any dividends on the Dividend Restricted Shares or pay any interest on any Parity Notes (other than stock dividends on Dividend Restricted Shares);
- (ii) redeem, purchase or otherwise retire any Dividend Restricted Shares or Parity Notes (except (i) with respect to Dividend Restricted Shares, out of the net cash proceeds of a substantially concurrent issue of Dividend Restricted Shares or (ii) pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of Dividend Restricted Shares); or
- (iii) make any payment to holders of any of the Dividend Restricted Shares or any of the Parity Notes in respect of dividends not declared or paid on such Dividend Restricted Shares or interest not paid on such Parity Notes, respectively.

7.1.2.2 any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, to which the Holders of any of the Notes or the Trustee would be entitled except for the provisions of this Article shall be paid or delivered by the person making such payment or distribution, whether a trustee in bankruptcy, a receiver, receiver and manager or liquidating trustee or otherwise, directly to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness, before any payment or distribution is made to the holders of the indebtedness evidenced by the Notes or to the Trustee under this instrument; and

7.1.2.3 in the event that, notwithstanding the foregoing, any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, in respect of principal of or interest on the Notes or in connection with any repurchase by the Company of the Notes, shall be received by the Trustee or the Holders of any of the Notes before all Senior Indebtedness is paid in full, or provision made for such payment in money or money's worth, such payment or distribution in respect of principal of or interest on the Notes or in connection with any repurchase by the Company of the Notes shall be paid over to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any such Senior Indebtedness may have been issued, ratably as aforesaid, for application to the payment of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness.

## **7.2 Disputes with Holders of Certain Senior Indebtedness**

Any failure by the Company to make any payment on or perform any other obligation under Senior Indebtedness, other than any indebtedness incurred by the Company or assumed or guaranteed, directly or indirectly, by the Company for money borrowed (or any deferral, renewal, extension or refunding thereof) or any indebtedness or obligation as to which the provisions of this Section shall have been waived by the Company in the instrument or instruments by which the Company incurred, assumed, guaranteed or otherwise created such indebtedness or obligation, shall not be deemed a default or event of default under Section 7.1.2(b) if (a) the Company shall be disputing its obligation to make such payment or perform such obligation and (b) either (i) no final judgment relating to such dispute shall have been issued against the Company which is in full force and effect and is not subject to further review, including a judgment that has become final by reason of the expiration of the time within which a party may seek further appeal or review, and (ii) in the event of a judgment that is subject to further review or appeal has been issued, the Company shall in good faith be prosecuting an appeal or other proceeding for review and a stay of execution shall have been obtained pending such appeal or review.

## **7.3 Subrogation**

Subject to the payment in full of all Senior Indebtedness, the Holders of the Notes shall be subrogated (equally and ratably with the holders of all obligations of the Company which by their express terms are subordinated to Senior Indebtedness of the Company to the same extent as the Notes are subordinated and which are entitled to like rights of subrogation) to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness until all amounts owing on the Notes shall be paid in full, and as between the Company, its creditors other than holders of such Senior Indebtedness and the Holders, no such payment or distribution made to the holders of Senior Indebtedness by virtue of this Article that otherwise would have been made to the Holders shall be deemed to be a payment by the Company on account of such Senior Indebtedness, it being understood that the provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders, on the one hand, and the holders of Senior Indebtedness, on the other hand.

## **7.4 Obligation of Company Unconditional**

7.4.1 Nothing contained in this Article or elsewhere in this Indenture or in the Notes is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Indebtedness and the Holders, the obligation of the Company, which is absolute and unconditional, to pay to the Holders the principal of and interest on the Notes as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders and creditors of the Company other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

7.4.2 Upon payment or distribution of assets of the Company referred to in this Article, the Trustee and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which any such dissolution, winding up, liquidation or reorganization proceeding affecting the affairs of the Company is pending or upon a certificate of the trustee in bankruptcy, receiver, receiver and manager, assignee for the benefit of creditors, liquidating trustee or agent or other person making any payment or distribution, delivered to the Trustee or to the Holders, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount paid or distributed thereon and all other facts pertinent thereto or to this Article.

#### **7.5 Payments on Notes Permitted**

Each Holder by its acceptance thereof authorizes and directs the Trustee on its behalf to take such action as may be necessary or appropriate to effect the subordination as provided in this Article and appoints the Trustee as its attorney-in-fact for any and all such purposes. This appointment shall be irrevocable. Upon request of the Company, and upon being furnished a certificate of the Company stating that one or more named Persons are Senior Creditors and specifying the amount and nature of the Senior Indebtedness of such Senior Creditor, the Trustee shall enter into a written agreement or agreements with the Company and the Persons named in such certificate of the Company providing that such Persons are entitled to all the rights and benefits of this Article as Senior Creditors and for such other matters, such as an agreement not to amend the provisions of this Article and the definitions used herein without the consent of such Senior Creditors, as the Senior Creditors may reasonably request. Such agreement shall be conclusive evidence that the indebtedness specified therein is Senior Indebtedness; however, nothing herein shall impair the rights of any Senior Creditor who has not entered into such an agreement.

## **7.7 Knowledge of Trustee**

Notwithstanding the provisions of this Article or any other provisions of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment of moneys to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee shall have received written notice thereof mailed or delivered to the Trustee from the Company, any Holder, any paying agent or the holder or representative of any class of Senior Indebtedness; provided that if at least three Business Days prior to the date upon which by the terms hereof any such moneys may become payable for any purpose (including, without limitation, the payment of the principal of or interest on any Note) the Trustee shall not have received with respect to such moneys the notice provided for in this Section, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such moneys and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within three Business Days prior to or on or after such date.

## **7.8 Trustee May Hold Senior Indebtedness**

The Trustee shall be entitled to all the rights set forth in this Article with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

## **7.9 Rights of Holders of Senior Indebtedness Not Impaired**

7.9.1 No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein shall at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

7.9.2 With respect to the holders of Senior Indebtedness, (i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, (ii) the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, (iii) no implied covenants or obligations shall be read into this Indenture against the Trustee and (iv) the Trustee shall not be deemed to be a fiduciary as to such holders.

## **7.10 Article Applicable to Paying Agents**

In case at any time any paying agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “**Trustee**” as used in this Article shall in such case (unless the context shall require otherwise) be construed as extending to and including such paying agent within its meaning as fully for all intents and purposes as if such paying agent were named in this Article in addition to or in place of the Trustee; provided, however, that Sections 7.7 and 7.8 shall not apply to the Company if it acts as its own paying agent.

## **7.11 Trustee; Compensation Not Prejudiced**

Nothing in this Article shall apply to claims of, or payments to, the Trustee pursuant to Section 607 of the Indenture.

- (ii) default in the payment of the principal of or any premium, if any, when due and payable on the Notes;
- (iii) the Company makes a general assignment for the benefit of its creditors or otherwise acknowledges its insolvency or is declared bankrupt or makes an authorized assignment or a proposal to its creditors under any bankruptcy or insolvency or analogous law or if a custodian or a receiver or receiver and manager or any other officer with similar powers is appointed in respect of the Company or of the property of the Company or any part thereof which is a substantial part of the property of the Company on a consolidated basis; or
- (iv) the Company defaults in the performance of, or breaches, any other covenant or warranty in the Indenture, which default or breach continues uncured for a period of 60 days after the Company receives written notice from the Trustee or the Company and the Trustee receive written notice from the Holders of not less than one-quarter of the principal amount of Notes then outstanding.

If an Event of Default has occurred and is continuing, then the Company shall be deemed to be in default under the Indenture and the Notes and the Trustee may, in its discretion and shall upon the request of holders of not less than one-quarter of the principal amount of Notes then outstanding under the Indenture, demand payment of the principal or premium, if any, together with any accrued and unpaid interest up to (but excluding) such date, which shall immediately become due and payable in cash, and may institute legal proceedings for the collection of such aggregate amount in the event the Company fails to make payment thereof upon such demand.

in lawful money of the United States on presentation and surrender of this Note (as defined below) at the principal office of the Trustee in The City of New York, New York or such other location as it may designate from time to time, and to pay interest on the principal amount hereof from and including the date hereof, or from and including the last Interest Payment Date (as defined in the Indenture) to which interest shall have been paid or made available for payment on the outstanding Notes, whichever is later, semi-annually in arrears on March 15 and September 15 of each year (i) from, and including, the date hereof to, but not including, March 15, 2030 at the rate of 7.375% per annum and (ii) from, and including, March 15, 2030, during each Interest Reset Period (as defined in the Indenture), at a rate per annum equal to the Five-Year Treasury Rate (as defined in the Indenture) as of the most recent Reset Interest Determination Date (as defined in the Indenture), plus 3.122%, to be reset on each Interest Reset Date. Subject to Article 5 of the Thirteenth Supplemental Indenture referred to below, interest as aforesaid shall be payable after as well as before default, with interest on overdue interest at the same rates and on the same dates.

This Note is one of the 7.375% Fixed-to-Fixed Rate Subordinated Notes due 2055 (the “**Notes**”) of the Company issued or issuable under the provisions of an Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as trustee (the “**Trustee**”), as amended and supplemented by a First Supplemental Indenture, dated as of March 1, 2012, an Eighth Supplemental Indenture, dated as of June 28, 2021, and a Thirteenth Supplemental Indenture, dated as of June 27, 2024, in each case, between the Company and the Trustee (which indenture as amended and supplemented is herein referred to as the “**Indenture**”). The Notes issuable under the Indenture are unlimited in principal amount. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Notes are or are to be issued and held and the rights, remedies and obligations of the holders of the Notes, of the Company and of the Trustee in respect thereof, all to the same effect as if the provisions of the Indenture were herein set forth, to all of which provisions the Holder by acceptance hereof acknowledges and assents.

So long as no Event of Default has occurred and is continuing, the Company may elect, in its sole discretion, at any date other than an Interest Payment Date, to defer the interest payable on the Notes on one or more occasions for up to five consecutive years (a “**Deferral Period**”). There shall be no limit on the number of Deferral Periods that may occur. Such deferral will not constitute an Event of Default or any other breach under the Indenture and the Notes. Deferred interest will accrue, compounding on each subsequent Interest Payment Date, until paid. A Deferral Period terminates on any Interest Payment Date where the Company pays all accrued and unpaid interest on such date. No Deferral Period may extend beyond the Maturity Date.

The Notes are issuable only as fully registered Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Upon compliance with the provisions of the Indenture, the Notes of any denomination may be exchanged for an equal aggregate principal amount of the Notes in any other authorized denomination or denominations.

The Notes are direct obligations of the Company but are not secured by any mortgage, pledge, hypothec or other charge.

The indebtedness evidenced by this Note and by all other Notes now or hereafter authenticated and delivered under the Indenture is subordinated and subject in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all present and future Senior Indebtedness (as defined in the Indenture), whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

## **ARTICLE 2**

### **THE NOTES**

#### **2.1 No Limitation on Issue**

The aggregate principal amount of the Notes that may be issued and authenticated hereunder shall be unlimited.

#### **2.2 Terms of Notes**

2.2.1 The Notes shall be dated as of the Closing Date, regardless of their actual date of issue, and shall mature on the Maturity Date.

2.2.2 The Notes will bear interest (i) from, and including, the Closing Date to, but not including, the Initial Interest Reset Date at the rate of 7.200% per annum and (ii) from and including the Initial Interest Reset Date, during each Interest Reset Period, at a rate per annum equal to the Five-Year Treasury Rate as of the most recent Reset Interest Determination Date, plus 2.970%, to be reset on each Interest Reset Date. Interest on the Notes will be payable semi-annually in arrears on each Interest Payment Date, commencing on December 27, 2024, subject to deferral as set forth in Article 5. The applicable interest rate for each Interest Reset Period will be determined by the Calculation Agent as of the applicable Reset Interest Determination Date. Subject to Article 5, interest as aforesaid shall be payable after as well as before default, with interest on overdue interest, in like money, at the same rates and on the same dates.

2.2.3 Interest on the Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months and, for any period shorter than six months, on the basis of the actual number of days elapsed per 30-day month. For the purposes of disclosure under the *Interest Act* (Canada), and without affecting the interest payable on the Notes, whenever the interest rate on the Notes is to be calculated on the basis of a period of less than a calendar year, the yearly interest rate equivalent for such interest rate will be the interest rate multiplied by the actual number of days in the relevant calendar year and divided by the number of days used in calculating the specified interest rate.

2.2.4 If any Interest Payment Date falls on a day that is not a Business Day, the payment of interest, principal or premium due on such Interest Payment Date will be postponed until the next Business Day, and no further interest or other sums will accrue in respect of such postponement.

2.2.5 Interest payments will be made to Holders in whose names the Notes are registered at the close of business on June 13 and December 13 (in each case, whether or not a Business Day), as the case may be, immediately preceding the relevant Interest Payment Date.

## 2.3 Form of Notes

2.3.1 The Notes shall be issued only as fully registered Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

2.3.2 The Notes and the certificate of authentication of the Trustee endorsed thereon shall be in the English language and shall be substantially in the form set out in Schedule A hereto, with such appropriate additions, deletions, substitutions and variations as the Trustee may approve and shall bear such distinguishing letters and numbers as the Trustee may approve, such approval of the Trustee to be conclusively evidenced by its authentication of the Notes.

2.3.3 The Notes may be engraved, printed or lithographed, or partly in one form and partly in another, as the Company may determine.

## 2.4 Calculation Agent

2.4.1 Unless all of the outstanding Notes are to be redeemed or have been redeemed as of the Initial Interest Reset Date, the Company shall appoint a Calculation Agent with respect to the Notes prior to the Reset Interest Determination Date preceding the Initial Interest Reset Date.

2.4.2 The Calculation Agent will determine the applicable interest rate for each Interest Reset Period as of the applicable Reset Interest Determination Date. Promptly upon such determination, the Calculation Agent, if other than the Company or an Affiliate of the Company, will notify the Company of the interest rate for the relevant Interest Reset Period and the Company will then promptly notify the Trustee, if other than the Calculation Agent, of such interest rate.

2.4.3 The Calculation Agent's determination of any interest rate, and its calculation of the amount of interest for any Interest Reset Period beginning on or after the Initial Interest Reset Date: (i) will be on file at the Company's principal offices, (ii) will be made available to any Holder upon request, (iii) will be conclusive and binding absent manifest error, (iv) may be made in the Calculation Agent's sole discretion and (v) notwithstanding anything to the contrary in the documentation relating to the Notes, will become effective without consent from any other person or entity.

## 2.5 Additional Amounts

2.5.1 The Company will, subject to the exceptions and limitations set forth below, pay to any Holder of the Notes who is a non-resident of Canada for purposes of the Income Tax Act (Canada) and the regulations thereunder (collectively, the "**Tax Act**") such additional amounts ("**Additional Amounts**") as may be necessary so that every net payment on the Notes held by such Holder of the Notes, after deduction or withholding by the Company or any of its paying agents for or on account of any present or future tax, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed by the government of Canada (or any political subdivision or taxing authority thereof or therein) upon or as a result of such payment, will not be less than the amount provided in those Notes to be then due and payable (and the Company will remit the full amount withheld to the relevant authority in accordance with applicable law). However, the Company will not be required to make any payment of Additional Amounts:

(a) to any person in respect of whom such taxes are required to be withheld or deducted as a result of such person or any other person that has a beneficial interest in respect of any payment under those Notes (i) not dealing at arm's length with the Company (within the meaning of the Tax Act), (ii) being a "specified shareholder" (as defined in subsection 18(5) of the Tax Act) of the Company, or (iii) not dealing at arm's length (for the purposes of the Tax Act) with such a "specified shareholder";

- (b) to any person by reason of such person being connected with Canada (otherwise than merely by holding or ownership of those Notes or receiving any payments or exercising any rights thereunder), including without limitation a non-resident insurer who carries on an insurance business in Canada and in a country other than Canada;
- (c) for or on account of any tax, assessment or other governmental charge which would not have been so imposed but for: (i) the presentation by the holder of those Notes on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or (ii) the holder's failure to comply with any certification, identification, information, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding of, any such taxes, assessment or charge;
- (d) for or on account of any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
- (e) for or on account of any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment to a person on those Notes if such payment can be made to such person without such withholding by at least one other paying agent the identity of which is provided to such person;
- (f) for or on account of any tax, assessment or other governmental charge which is payable otherwise than by withholding from a payment on those Notes;
- (g) any withholding or deduction imposed pursuant to: (i) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), or any successor version thereof, or any similar legislation imposed by any other governmental authority, (ii) any treaty, law, regulation or other official guidance enacted by Canada implementing FATCA or an intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other governmental authority, or (iii) any agreement between the Company and the United States or any authority thereof implementing FATCA; or
- (h) for any combination of items (a), (b), (c), (d), (e), (f) and (g);

nor will Additional Amounts be paid with respect to any payment on those Notes to a Holder of the Notes who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Canada (or any political subdivision thereof) to be included in the income for Canadian federal income tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Notes.

## ARTICLE 3

### REDEMPTION OF THE NOTES

#### 3.1 Redemption of Notes at the Option of the Company

The Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem the Notes, in whole at any time or in part from time to time, (i) on any day in the period commencing on (and including) the date falling three months prior to the Initial Interest Reset Date and ending on (and including) the Initial Interest Reset Date and (ii) after the Initial Interest Reset Date, on any Interest Payment Date, in each case, without the consent of the Holders, at a redemption price per \$1,000 principal amount of the Notes equal to 100% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

#### 3.2 Partial Redemption of Notes

3.2.1 If less than all the Notes are to be redeemed pursuant to Section 3.1, the Company shall, at least 15 days prior to the date that notice of redemption is given, notify the Trustee by Company Order stating the Company's intention to redeem the aggregate principal amount of the Notes to be redeemed. The Notes to be redeemed shall be selected by the Trustee, if the Notes are in Global Form, in accordance with the procedures of DTC and if the Notes are certificated, on a pro rata basis, disregarding fractions, according to the principal amount of the Notes registered in the respective names of each Holder, or in such other manner as the Trustee may consider equitable, provided that such selection shall be proportionate (to the nearest minimum authorized denomination for the Notes established pursuant to Section 2.3).

3.2.2 If the Notes in denominations in excess of the minimum authorized denomination for the Notes are selected and called for redemption in part only (such part being that minimum authorized denomination or an integral multiple thereof) then, unless the context otherwise requires, references to the Notes in this Article 3 shall be deemed to include any such part of the principal amount of the Notes which shall have been so selected and called for redemption. The Holder of any Notes called for redemption in part only, upon surrender of such Notes for payment, shall be entitled to receive, without expense to such Holder, new Notes for the unredeemed part of the Notes so surrendered, and the Company shall execute and the Trustee shall authenticate and deliver, at the expense of the Company, such new Notes having the same terms as are set out herein upon receipt from the Trustee or the Paying Agent of the Notes so surrendered.

#### 3.3 Early Redemption upon a Tax Event

Within 90 days following the occurrence of a Tax Event, the Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem all (but not less than all) of the Notes without the consent of the Holders. The redemption price per \$1,000 principal amount of the Notes shall be equal to 100% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

### **3.4 Early Redemption upon a Rating Event**

Within 90 days following the occurrence of a Rating Event, the Company may, at its option, on giving not more than 60 days nor less than 10 days' prior notice to the Holders thereof, redeem all (but not less than all) of the Notes without the consent of the Holders. The redemption price per \$1,000 principal amount of the Notes shall be equal to 102% of the principal amount thereof, together with accrued and unpaid interest to, but excluding, the date fixed for redemption.

### **3.5 Notice of Redemption**

Notice of any intention to redeem any Notes shall be given by or on behalf of the Company to the Holders of the Notes which are to be redeemed, not more than 60 days and not less than 10 days prior to the date fixed for redemption, in the manner provided in the Indenture. The notice of redemption shall, unless all the Notes then outstanding are to be redeemed, specify the distinguishing letters and numbers of the Notes which are to be redeemed and, if the Notes are to be redeemed in part only, shall specify that part of the principal amount thereof to be redeemed, and shall specify the redemption date, the redemption price and places of payment and shall state that all interest on the Notes called for redemption shall cease from and after such redemption date.

### **3.6 Cancellation of the Notes**

All Notes redeemed under this Article 3 shall forthwith be delivered to the Trustee and shall be cancelled by it and will not be reissued or resold, and except as provided in subsection 3.2.2, no Notes shall be issued in substitution therefor.

## **ARTICLE 4**

## **RESERVED**

## **ARTICLE 5**

### **DEFERRAL RIGHT**

#### **5.1 Deferral Right**

So long as no Event of Default has occurred and is continuing, the Company may elect, in its sole discretion, at any date other than an Interest Payment Date, to defer the interest payable on the Notes on one or more occasions for up to five consecutive years (a "**Deferral Period**"). Such deferral will not constitute an Event of Default or any other breach under the Indenture and the Notes. Deferred interest will accrue, compounding on each subsequent Interest Payment Date, until paid. A Deferral Period terminates on any Interest Payment Date where the Company pays all accrued and unpaid interest on such date. No Deferral Period may extend beyond the Maturity Date.

The Company will give the Trustee and the Holders of the Notes written notice of its election to commence or continue a Deferral Period at least 10 and not more than 60 days before the next Interest Payment Date.

## **5.2 No Limit**

There shall be no limit on the number of Deferral Periods that may occur.

## **5.3 Dividend Stopper Undertaking**

Unless the Company has paid all accrued and unpaid interest on the Notes, the Company will not:

- (i) declare any dividends on the Dividend Restricted Shares or pay any interest on any Parity Notes (other than stock dividends on Dividend Restricted Shares);
- (ii) redeem, purchase or otherwise retire any Dividend Restricted Shares or Parity Notes (except (i) with respect to Dividend Restricted Shares, out of the net cash proceeds of a substantially concurrent issue of Dividend Restricted Shares or (ii) pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of Dividend Restricted Shares); or
- (iii) make any payment to holders of any of the Dividend Restricted Shares or any of the Parity Notes in respect of dividends not declared or paid on such Dividend Restricted Shares or interest not paid on such Parity Notes, respectively.

## **ARTICLE 6**

## **RESERVED**

## **ARTICLE 7**

### **SUBORDINATION OF NOTES**

#### **7.1 Notes Subordinated to Senior Indebtedness**

7.1.1 The Company covenants and agrees, and each Holder of Notes, by the acceptance thereof, likewise covenants and agrees, that the indebtedness represented by the Notes and the payment of the principal of and interest on each and all of the Notes is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior payment in full of Senior Indebtedness.

7.1.2 In the event (a) of any insolvency or bankruptcy proceedings or any receivership, liquidation, reorganization or other similar proceedings in respect of the Company or a substantial part of its property, or of any proceedings for liquidation, dissolution or other winding up of the Company, whether or not involving insolvency or bankruptcy, or (b) subject to the provisions of Section 7.2 that (i) a default shall have occurred with respect to the payment of principal of or interest on or other monetary amounts due and payable on any Senior Indebtedness, or (ii) there shall have occurred an event of default (other than a default in the payment of principal or interest or other monetary amounts due and payable) in respect of any Senior Indebtedness, as defined therein or in the instrument under which the same is outstanding, permitting the holder or holders thereof to accelerate the maturity thereof (with notice or lapse of time, or both), and such event of default shall have continued beyond the period of grace, if any, in respect thereof, and, in the cases of subclauses (i) and (ii) of this clause (b), such default or event of default shall not have been cured or waived or shall not have ceased to exist, or (c) that the principal of and accrued interest on the Notes shall have been declared due and payable pursuant to Section 502 of the Indenture and such declaration shall not have been rescinded and annulled as provided therein, then:

7.1.2.1 the holders of all Senior Indebtedness shall first be entitled to receive payment of the full amount due thereon, or provision shall be made for such payment in money or money's worth, before the Holders of any of the Notes are entitled to receive a payment on account of the principal of or interest on the indebtedness evidenced by the Notes, including, without limitation, any payments made pursuant to any redemption or purchase for cancellation;

7.1.2.2 any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, to which the Holders of any of the Notes or the Trustee would be entitled except for the provisions of this Article shall be paid or delivered by the person making such payment or distribution, whether a trustee in bankruptcy, a receiver, receiver and manager or liquidating trustee or otherwise, directly to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness, before any payment or distribution is made to the holders of the indebtedness evidenced by the Notes or to the Trustee under this instrument; and

7.1.2.3 in the event that, notwithstanding the foregoing, any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, in respect of principal of or interest on the Notes or in connection with any repurchase by the Company of the Notes, shall be received by the Trustee or the Holders of any of the Notes before all Senior Indebtedness is paid in full, or provision made for such payment in money or money's worth, such payment or distribution in respect of principal of or interest on the Notes or in connection with any repurchase by the Company of the Notes shall be paid over to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any such Senior Indebtedness may have been issued, ratably as aforesaid, for application to the payment of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness.

## **7.2 Disputes with Holders of Certain Senior Indebtedness**

Any failure by the Company to make any payment on or perform any other obligation under Senior Indebtedness, other than any indebtedness incurred by the Company or assumed or guaranteed, directly or indirectly, by the Company for money borrowed (or any deferral, renewal, extension or refunding thereof) or any indebtedness or obligation as to which the provisions of this Section shall have been waived by the Company in the instrument or instruments by which the Company incurred, assumed, guaranteed or otherwise created such indebtedness or obligation, shall not be deemed a default or event of default under Section 7.1.2(b) if (a) the Company shall be disputing its obligation to make such payment or perform such obligation and (b) either (i) no final judgment relating to such dispute shall have been issued against the Company which is in full force and effect and is not subject to further review, including a judgment that has become final by reason of the expiration of the time within which a party may seek further appeal or review, and (ii) in the event of a judgment that is subject to further review or appeal has been issued, the Company shall in good faith be prosecuting an appeal or other proceeding for review and a stay of execution shall have been obtained pending such appeal or review.

## **7.3 Subrogation**

Subject to the payment in full of all Senior Indebtedness, the Holders of the Notes shall be subrogated (equally and ratably with the holders of all obligations of the Company which by their express terms are subordinated to Senior Indebtedness of the Company to the same extent as the Notes are subordinated and which are entitled to like rights of subrogation) to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness until all amounts owing on the Notes shall be paid in full, and as between the Company, its creditors other than holders of such Senior Indebtedness and the Holders, no such payment or distribution made to the holders of Senior Indebtedness by virtue of this Article that otherwise would have been made to the Holders shall be deemed to be a payment by the Company on account of such Senior Indebtedness, it being understood that the provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders, on the one hand, and the holders of Senior Indebtedness, on the other hand.

## **7.4 Obligation of Company Unconditional**

7.4.1 Nothing contained in this Article or elsewhere in this Indenture or in the Notes is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Indebtedness and the Holders, the obligation of the Company, which is absolute and unconditional, to pay to the Holders the principal of and interest on the Notes as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders and creditors of the Company other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

7.4.2 Upon payment or distribution of assets of the Company referred to in this Article, the Trustee and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which any such dissolution, winding up, liquidation or reorganization proceeding affecting the affairs of the Company is pending or upon a certificate of the trustee in bankruptcy, receiver, receiver and manager, assignee for the benefit of creditors, liquidating trustee or agent or other person making any payment or distribution, delivered to the Trustee or to the Holders, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount paid or distributed thereon and all other facts pertinent thereto or to this Article.

#### **7.5 Payments on Notes Permitted**

Nothing contained in this Article or elsewhere in this Indenture or in the Notes shall affect the obligations of the Company to make, or prevent the Company from making, payment of the principal of or interest on the Notes in accordance with the provisions hereof and thereof, except as otherwise provided in this Article.

#### **7.6 Effectuation of Subordination by Trustee**

Each Holder by its acceptance thereof authorizes and directs the Trustee on its behalf to take such action as may be necessary or appropriate to effect the subordination as provided in this Article and appoints the Trustee as its attorney-in-fact for any and all such purposes. This appointment shall be irrevocable. Upon request of the Company, and upon being furnished a certificate of the Company stating that one or more named Persons are Senior Creditors and specifying the amount and nature of the Senior Indebtedness of such Senior Creditor, the Trustee shall enter into a written agreement or agreements with the Company and the Persons named in such certificate of the Company providing that such Persons are entitled to all the rights and benefits of this Article as Senior Creditors and for such other matters, such as an agreement not to amend the provisions of this Article and the definitions used herein without the consent of such Senior Creditors, as the Senior Creditors may reasonably request. Such agreement shall be conclusive evidence that the indebtedness specified therein is Senior Indebtedness; however, nothing herein shall impair the rights of any Senior Creditor who has not entered into such an agreement.

#### **7.7 Knowledge of Trustee**

Notwithstanding the provisions of this Article or any other provisions of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment of moneys to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee shall have received written notice thereof mailed or delivered to the Trustee from the Company, any Holder, any paying agent or the holder or representative of any class of Senior Indebtedness; provided that if at least three Business Days prior to the date upon which by the terms hereof any such moneys may become payable for any purpose (including, without limitation, the payment of the principal of or interest on any Note) the Trustee shall not have received with respect to such moneys the notice provided for in this Section, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such moneys and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within three Business Days prior to or on or after such date.

## **7.8 Trustee May Hold Senior Indebtedness**

The Trustee shall be entitled to all the rights set forth in this Article with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

## **7.9 Rights of Holders of Senior Indebtedness Not Impaired**

7.9.1 No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein shall at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

7.9.2 With respect to the holders of Senior Indebtedness, (i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, (ii) the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, (iii) no implied covenants or obligations shall be read into this Indenture against the Trustee and (iv) the Trustee shall not be deemed to be a fiduciary as to such holders.

## **7.10 Article Applicable to Paying Agents**

In case at any time any paying agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “**Trustee**” as used in this Article shall in such case (unless the context shall require otherwise) be construed as extending to and including such paying agent within its meaning as fully for all intents and purposes as if such paying agent were named in this Article in addition to or in place of the Trustee; provided, however, that Sections 7.7 and 7.8 shall not apply to the Company if it acts as its own paying agent.

## **7.11 Trustee; Compensation Not Prejudiced**

Nothing in this Article shall apply to claims of, or payments to, the Trustee pursuant to Section 607 of the Indenture.

## ARTICLE 8

### EVENTS OF DEFAULT

#### 8.1 Events of Default

Solely with respect to the Securities (and not with respect to any other securities issued or outstanding under the Indenture), for so long as any of the Securities remain outstanding, “**Event of Default**” means any one of the following events (whatever the reason for such Event of Default and whether it shall be occasioned by provisions of Article 7 of this Fourteenth Supplemental Indenture or be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (i) default in the payment of any interest upon the Notes when it becomes due and payable, and continuance of such default for a period of 30 days (subject to the Company’s right, in its sole discretion, to defer interest payments as provided in Article 5 of this Fourteenth Supplemental Indenture);
- (ii) default in the payment of the principal of or any premium, if any, when due and payable on the Notes;
- (iii) the Company makes a general assignment for the benefit of its creditors or otherwise acknowledges its insolvency or is declared bankrupt or makes an authorized assignment or a proposal to its creditors under any bankruptcy or insolvency or analogous law or if a custodian or a receiver or receiver and manager or any other officer with similar powers is appointed in respect of the Company or of the property of the Company or any part thereof which is a substantial part of the property of the Company on a consolidated basis; or
- (iv) the Company defaults in the performance of, or breaches, any other covenant or warranty in the Indenture, which default or breach continues uncured for a period of 60 days after the Company receives written notice from the Trustee or the Company and the Trustee receive written notice from the Holders of not less than one-quarter of the principal amount of Notes then outstanding.

If an Event of Default has occurred and is continuing, then the Company shall be deemed to be in default under the Indenture and the Notes and the Trustee may, in its discretion and shall upon the request of holders of not less than one-quarter of the principal amount of Notes then outstanding under the Indenture, demand payment of the principal or premium, if any, together with any accrued and unpaid interest up to (but excluding) such date, which shall immediately become due and payable in cash, and may institute legal proceedings for the collection of such aggregate amount in the event the Company fails to make payment thereof upon such demand.

in lawful money of the United States on presentation and surrender of this Note (as defined below) at the principal office of the Trustee in The City of New York, New York or such other location as it may designate from time to time, and to pay interest on the principal amount hereof from and including the date hereof, or from and including the last Interest Payment Date (as defined in the Indenture) to which interest shall have been paid or made available for payment on the outstanding Notes, whichever is later, semi-annually in arrears on June 27 and December 27 of each year (i) from, and including, the date hereof to, but not including, June 27, 2034 at the rate of 7.200% per annum and (ii) from, and including, June 27, 2034, during each Interest Reset Period (as defined in the Indenture), at a rate per annum equal to the Five-Year Treasury Rate (as defined in the Indenture) as of the most recent Reset Interest Determination Date (as defined in the Indenture), plus 2.970%, to be reset on each Interest Reset Date. Subject to Article 5 of the Fourteenth Supplemental Indenture referred to below, interest as aforesaid shall be payable after as well as before default, with interest on overdue interest at the same rates and on the same dates.

This Note is one of the 7.200% Fixed-to-Fixed Rate Subordinated Notes due 2054 (the “**Notes**”) of the Company issued or issuable under the provisions of an Indenture, dated as of February 25, 2005, between the Company and Deutsche Bank Trust Company Americas, as trustee (the “**Trustee**”), as amended and supplemented by a First Supplemental Indenture, dated as of March 1, 2012, an Eighth Supplemental Indenture, dated as of June 28, 2021, and a Fourteenth Supplemental Indenture, dated as of June 27, 2024, in each case, between the Company and the Trustee (which indenture as amended and supplemented is herein referred to as the “**Indenture**”). The Notes issuable under the Indenture are unlimited in principal amount. So long as no Event of Default has occurred and is continuing, the Company may elect, in its sole discretion, at any date other than an Interest Payment Date, to defer the interest payable on the Notes on one or more occasions for up to five consecutive years (a “**Deferral Period**”). There shall be no limit on the number of Deferral Periods that may occur. Such deferral will not constitute an Event of Default or any other breach under the Indenture and the Notes. Deferred interest will accrue, compounding on each subsequent Interest Payment Date, until paid. A Deferral Period terminates on any Interest Payment Date where the Company pays all accrued and unpaid interest on such date. No Deferral Period may extend beyond the Maturity Date.

The Notes are issuable only as fully registered Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Upon compliance with the provisions of the Indenture, the Notes of any denomination may be exchanged for an equal aggregate principal amount of the Notes in any other authorized denomination or denominations.

The Notes are direct obligations of the Company but are not secured by any mortgage, pledge, hypothec or other charge.

The indebtedness evidenced by this Note and by all other Notes now or hereafter authenticated and delivered under the Indenture is subordinated and subject in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all present and future Senior Indebtedness (as defined in the Indenture), whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933 (the “Act”) of US\$500,000,000 aggregate principal amount of 7.375% Fixed-to-Fixed Rate Subordinated Notes due 2055 and US\$700,000,000 aggregate principal amount of 7.200% Fixed-to-Fixed Rate Subordinated Notes due 2054 (the “Debt Securities”) of Enbridge Inc., a corporation organized under the laws of Canada (the “Company”), issued pursuant to the Indenture, dated as of February 25, 2005, as amended and supplemented by the First Supplemental Indenture, dated as of March 1, 2012, the Eighth Supplemental Indenture, dated as of June 28, 2021, the Thirteenth Supplemental Indenture, dated as of the date hereof, and the Fourteenth Supplemental Indenture, dated as of the date hereof (collectively, the “Indenture”), each between the Company and Deutsche Bank Trust Company Americas, as Trustee (the “Trustee”), we, as your United States counsel, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, it is our opinion that the Debt Securities constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

---

In rendering the foregoing opinion, we are not passing upon, and assume no responsibility for, any disclosure in any registration statement or any related prospectus or other offering material relating to the Debt Securities or their offering and sale.

The foregoing opinion is limited to the Federal laws of the United States and the laws of the State of New York, and we are expressing no opinion as to the effect of the laws of any other jurisdiction. With respect to all matters of the laws of Canada and Alberta, we note that you have received an opinion, dated the date hereof, of McCarthy Tétrault LLP. In rendering the foregoing opinion, we have assumed, without independent verification, that the Company is duly organized, validly existing and in good standing under the laws of Canada, that the Indenture was duly authorized, executed and delivered by the Company insofar as the laws of Canada and the applicable laws of Alberta are concerned, that all corporate action by the Company related to the Debt Securities was duly authorized as a matter of Canadian law and that the Debt Securities have been duly authorized, executed, authenticated, issued and delivered insofar as the laws of Canada and the applicable laws of Alberta are concerned.

We have relied as to certain factual matters on information obtained from public officials, officers of the Company and other sources believed by us to be responsible, and we have assumed that the Indenture has been duly authorized, executed and delivered by the Trustee, that the Debt Securities conform to the specimen thereof examined by us, that the Trustee's certificates of authentication of the Debt Securities have been signed by one of the Trustee's authorized officers, and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

We hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K to be incorporated by reference into the Company's Registration Statement on Form S-3 relating to the Debt Securities and to the reference to us under the heading "Validity of Securities" in the prospectus supplement, dated June 24, 2024, relating to the Debt Securities. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

Dear Sirs/Mesdames:

**Re: Enbridge Inc. (the “Corporation”)  
Issue of 7.375% Fixed-to-Fixed Rate Subordinated Notes Due 2055 and 7.200% Fixed-to-Fixed Rate Subordinated Notes Due 2054**

We have acted as Canadian counsel to the Corporation, a corporation governed by the *Canada Business Corporations Act*, in connection with the issue and sale by the Corporation of US\$500,000,000 aggregate principal amount of 7.375% Fixed-to-Fixed Rate Subordinated Notes due 2055 and US\$700,000,000 aggregate principal amount of 7.200% Fixed-to-Fixed Rate Subordinated Notes due 2054 (collectively, the “**Debt Securities**”), which are being issued pursuant to a trust indenture dated as of February 25, 2005 (the “**Indenture**”), as supplemented by the First Supplemental Indenture dated as of March 1, 2012 and the Eighth Supplemental Indenture dated as of June 28, 2021, each between the Corporation and Deutsche Bank Trust Company Americas (the “**Trustee**”) and the Thirteenth Supplemental Indenture and the Fourteenth Supplemental Indenture, each dated as of June 27, 2024 between the Corporation and the Trustee.

We understand that the Corporation has prepared and filed with the Securities and Exchange Commission (the “**SEC**”) a registration statement (File No. 333-266405) on Form S-3 (the “**Registration Statement**”) under the *United States Securities Act of 1933*, as amended, and that the Registration Statement includes the United States Basic Prospectus (which document is referred to as the “**U.S. Basic Prospectus**”). The U.S. Basic Prospectus as supplemented by a prospectus supplement thereto dated June 24, 2024, filed with the SEC is referred to as the “**U.S. Final Prospectus**”. We understand that the Debt Securities will be distributed in the United States pursuant to the U.S. Final Prospectus.

#### Scope of Review

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such public and corporate records, certificates, instruments and other documents, including the Registration Statement, and have considered such questions of law as we have deemed relevant and necessary as a basis for the opinion hereinafter expressed. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies, certified or otherwise.

As to certain matters of fact relevant to the opinion expressed below, we have relied exclusively upon a certificate of an officer of the Corporation dated June 27, 2024.

---

The opinions herein expressed are restricted to the laws of the Province of Alberta and the laws of Canada applicable therein in effect as of the date hereof.

Opinion

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. The Corporation is validly existing as a corporation under the *Canada Business Corporations Act*.
2. The Indenture has been duly authorized and, to the extent execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, executed and delivered by the Corporation, and the provisions of the Indenture expressly stated therein to be governed by the laws of the Province of Alberta form a legal, valid and binding obligation of the Corporation, enforceable against the Corporation in accordance with its terms.
3. The Debt Securities have been duly authorized and, assuming that the Debt Securities have been duly authenticated by the Trustee in the manner described in the Indenture and under New York law, to the extent issuance, execution and delivery are governed by the laws of the Province of Alberta or the federal laws of Canada applicable therein, issued, executed and delivered by the Corporation, and the provisions of the Debt Securities expressly stated therein to be governed by the laws of the Province of Alberta form a legal, valid and binding obligation of the Corporation, enforceable against the Corporation in accordance with its terms.

With respect to the opinions expressed in sections 2 and 3, the enforceability of the Indenture and the Debt Securities may be limited by:

- (a) any applicable bankruptcy, insolvency or other similar laws of general application affecting the enforcement of creditors' rights generally;
  - (b) the qualification that the granting of equitable remedies such as specific performance and injunction are in the discretion of the court having jurisdiction;
  - (c) the equitable or statutory power of the court having jurisdiction to stay proceedings before it and the execution of judgments;
  - (d) the qualification that legal or equitable claims may become barred under laws regarding limitation of actions;
  - (e) the qualification that the *Currency Act* (Canada) precludes a court in Canada from rendering a judgment in a currency other than Canadian dollars; and
  - (f) a court's discretion in:
    - (i) enforcing any provision of any agreement providing that modifications, amendments or waivers of or with respect to any such agreement that are not in writing will not be effective;
    - (ii) enforcing any section of the Indenture that purports to waive or limit rights or defences of a party;
-

- (iii) enforcing any provision of the Indenture that purports to sever from such agreement any provision that is found to be void or unenforceable; and
- (iv) treating as conclusive, final or binding those certificates and determinations of fact which the Indenture states are to be so treated.

We hereby consent to the filing of this opinion as an exhibit to the Current Report on Form 8-K, which forms a part of the Registration Statement, and to the use of this firm's name under the caption "Validity of Securities" in the U.S. Final Prospectus. In giving the foregoing consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the SEC promulgated thereunder.

Yours very truly,

/s/ "McCarthy Tétrault LLP"
